MANAGER'S REPORT NO.	69
COUNCIL MEETING	Oct. 11/77

Re: DEER LAKE PARK REPORT
(ITEM 19, REPORT NO. 55, AUGUST 15, 1977)

Following is a report from the Parks and Recreation Administrator regarding the report on Deer Lake Park.

As Council is aware, copies of the Deer Lake Report were sent to appropriate government departments, agencies and others, and we are now receiving replies, e.g. the September 26, 1977 agenda contained a report from the Advisory Planning Commission on this matter. Because the Planning Department is doing a comprehensive study on this matter based on the comments that are being received, it would be appropriate for the report from the Administrator to be referred accordingly.

RECOMMENDATION:

1. THAT the action taken by the Parks and Recreation Commission on September 5, 1977 with respect to the Deer Lake report, as outlined in the following Administrator's report, be referred to the Planning Department.

RE: DEER LAKE PARK REPORT PREPARED BY CHARLES TORRENCE & ASSOCIATES

The Parks and Recreation Commission, as a Committee of the Whole, met with Charles Torrence on September 14, 1977 and discussed the above report in detail.

At its meeting of October 5, 1977, the Commission approved the Recommendations Nos. 2, 3, 4, 6, 9, 10 and 12 as contained in the Deer Lake Park Report. Recommendations Nos. 1, 5, 7, 8 and 11 were referred to the Parks and Recreation staff for further examination and a report. Recommendation No. 13 was tabled. The Commission did, however, adopt a recommendation that the Concept Plan for Deer Lake Park be accepted in principle.

This is for the information of Council.
