The question of John Mautine employing Chinamen to cut CD wood on the road limits was brought up for discussion & action and it was moved by Counc Spott seely Counc Cliff & Resolved that if he has any more wood on the road limits cut by Chinamen he pay to this Corporation 25^{cts} per cord for every cord so cut

It was moved by Counc Stude seely Counc Smith & Resolved that Counc Byrne be authorized to employ labor that may be needed to do any small necessary ~~required~~ work required on the McKay road

The tenders received for hauling gravel from the North Arm road to Lane road were opened and discussed and it was Resolved that C.D. Jones Tender to haul the gravel for \$1.85 per cubic yard was accepted it being understood that the amt of gravel would be 500 yards or more the work to be done under direction of Counc Stude

It was moved by Counc Spott seely Counc Stude & Resolved that the Clerk write to Provincial Seely requesting the Govt to include in the estimates a Grant of \$1000 to be applied in widening straightening & otherwise improving that portion of the W & V road within the limits of this Municipality

On motion of Councs Cliff & Smith Counc Byrne was requested to furnish by next meeting Specifications for about 14 chains ditching to carry water from the Byrne road ditch that is reported

4
5th Feb 1898

as injuring the lands of John
Higgins Sothers

It was Resolved that W Wilson be
requested to make the lines of the
Debbie road meet

It was moved by Counc Steeds & C^y
Counc Byrne & Resolved that
Hester & R Robinson be employed
to slash the lines of lots 99 + 15th
so that the Council may view the
line of the proposed road to connect
North Arm road and W + V road

The Council then Adjourned
till Saturday 19th inst at 2 p.m.
