

Tuesday - August 27th, 1935.

A sitting of the Commissioner was held at the Municipal Hall on Tuesday, August 27th, 1935 at 3.05 P.M.

Present: Commissioner Hugh M. Fraser; Mr. R. Bolton and C. B. Brown.

Ordered: "That the Burnaby Unemployment Relief Loan By-law No. 4, 1935 do pass the Third reading, that it be signed by the Commissioner and the Clerk and that the Corporate seal be affixed thereto."

Ordered: "That the Commissioner and Clerk be and are hereby authorized to sign the agreement between the Honorable the Minister of Finance and the Corporation providing for the loan of \$28,000.00 for Unemployment Relief purposes for the Corporation's share of Unemployment Relief for the months of June and July 1935, and to affix the Corporate seal thereto."

The MacLean Investment Company wrote offering to liquidate the arrears of taxes on Blocks 2 and 3, D.L. 798, up the December 31st, 1935 for the sum of \$2,500.00 and also requesting that future taxation on this property be set at a figure not exceeding \$600.00 per annum.

Resolved: "That the MacLean Investment Corporation be advised that the proposal to liquidate arrears of taxes to the end of 1935 for the sum of \$2500.00 cannot be entertained but that the Commissioner would be prepared to favourably consider a proposal for the allowance of all penalties and interest against the said property, and that the matter of future taxation cannot be made the subject of a proposal at this time but that the Commissioner feels that by a re-assessment made for the year 1936 the taxes would be such that would meet with mutual approval."

The Canada British Finance Corporation wrote advising that they had a client interested in obtaining 5 acres of property east of the Standard Oil Company site on Burrard Inlet.

Ordered: "That the letter be received and filed and that writers be advised that the Corporation is the owner of an 8 acre block described as the N. 8 acres of Block "B" D.L. 188 and that the Corporation is ready to negotiate for the sale of this land but before doing so would desire to know the nature of the proposed industry and such other particulars as are available."
