

THE CORPORATION OF THE DISTRICT OF BURNABY

May 2, 1966.

HIS WORSHIP, THE REEVE, AND
MEMBERS OF THE COUNCIL:

Gentlemen:

The special Committee of the undersigned, appointed to recommend regulations for inclusion in a By-law for the control of discotheques, would report having studied the two clauses previously recommended re the use of live bands and restriction in dress.

Our further studies indicate that the original impression - that where live bands were employed, followers of the band created trouble - is rather the exception than the rule. There is a good musical programme in the schools, and the use of live bands does provide a means whereby some of those who have been taught through this programme, may use their talents.

Modern dress for girls, includes the use of slacks prominently by young people as well as adults. Restricting dress in discotheques by not allowing slacks, would appear a little unnecessary. Under the circumstances, your Committee would recommend that these two restrictions not be included in the By-law.
