

MARQ. 13, 1969

An adjourned meeting of the Municipal Council was held in the Council Chambers, Municipal Hall, 4949 Canada Way, Burnaby 2, B. C. on Thursday, March 13, 1969 at 3:30 p.m.

PRESENT:

Mayor R. W. Prittie in the Chair;
Aldermen Blair, Clark, Dailly,
Drummond, Ladner and McLean;

ABSENT:

Aldermen Herd and Mercier;

Consideration was given a proposed subdivision in the Gilpin-Iris-Price-Rowan Area, which was the subject of a report from the Municipal Manager some weeks ago.

The Planning Director reviewed the land ownership situation in the area and the relationship between the area and the major North-South route around the West side of Deer Lake.

He explained that the Community Centre Concept envisaged for the area includes such facilities as a library, a museum, a theatre, and an art gallery plus an infinite variety of other civic uses.

He pointed out that the entire central part of Burnaby is being planned for governmental and related, or recreational, uses.

MOVED BY ALDERMAN LADNER, SECONDED BY ALDERMAN DAILLY:

"That, because the costs which are anticipated would be incurred are considered to be too great in relation to the need for the land for the purposes indicated by the Planning Department, it be resolved to not impede the subdivision of the Gilpin-Iris-Price-Rowan Area, on the understanding that that part of the area which will be required for road purposes will be obtained in the event an application to subdivide the property concerned is made."
