REPORT

Appearing on the Agenda is a letter from Mr. Michael James, President of Congregation Beth Israel, relating to the cemetery lands north of Halifax Street.

The Planning Department has been approached by representatives of the Masonic Cemetery Association who wish to have considered the development of their lands which are not presently utilized for cemetery purposes.

We are currently studying planning options for this area. As a part of this study, we have arranged to meet representatives of the Congregation Beth Israel to discuss their future plans for the utilization of their property.

Upon discussion with Congregation Beth Israel and further study by staff, a report will be submitted to Council outlining planning proposals for this area.

This is for the information of Council.
