2. What data and feedback do you collect from your audience/participants? How do you evaluate your programs and services?

A multi-pronged event and program evaluation. Participants complete an evaluation form following the event/program. The evaluation design is aligned with short term outcomes grounded in our Strategic goals.

Applicants for Recreational Sport Grants are not required to complete sections F, and H (marked by two asterisks **).

F. LONG TERM VIABILITY**

ATTENTION: The grant program is intended to support new organizations and encourage organizational self-sufficiency, while creating a framework of financial sustainability rather than using City resources as an indefinite funding source. It is requested that your organization develop a diverse funding income base and seek alternative methods for self-sufficiency to ensure your organization's long-term operational sustainability.

1. What are your sources of revenue? What percentage of total revenue do they each represent?

Source of Revenue	% of Total Revenue Previous Year	% of Total Revenue Current Year
Earned Revenue (All ticket sales, registration fees, memberships, etc)	0	0
Grants (All federal, provincial, municipal, foundation and gaming grants)	0	2.5%
Donations and Sponsorships (Cash)	100%	22.2%
Donations and Sponsorships (In-kind)	0	0
All donations (cash/in-kind) provided by the City of Burnaby	0	75.3%

2. What other sources of funding are you currently pursuing? Does the organization have a plan for diversification and increase of revenue over the longer term? If yes, please provide a copy of the plan or describe the primary objectives and strategies.

The funds we are seeking are to support the programs/events organized by the ECD Table. The funds previously applied for were for table coordination costs. We are also pursuing contributions from CUPE Local 23, the Burnaby Festival of Learning, and the Burnaby School District. Funding also comes from the extensive in-kind contributions of member agencies to facilitate the provision of city-wide programs and events. We have sought support from Vancity, WorkBC Community and Employer Partnership Fund, and the Ministry for Children and Family Development, but without success due to different priorities. The ECD Table continues to explore other revenue sources, through its networks and research.

3. Please identify the cash value (\$) of all City of Burnaby contributions your organization/program/event has received from the City of Burnaby over the past three (3) years. Additionally, please indicate any other City of Burnaby grant opportunities you will be pursuing in the current year. Failure to identify City of Burnaby contributions may affect your eligibility for grants in the present year and in the future.
