**SUBJECT: CONTRACT AWARD**  
**CA-3163 STORM SEWER EXTENSIONS – SUMMER 2020**

**PURPOSE:** To obtain Council approval to award a contract for the storm sewer extensions.

**RECOMMENDATION:**

- 1. **THAT** Council approve a contract award to Complete Utility Contractors for an estimated total cost of \$2,079,905.63 including GST in the amount of \$99,043.13 as outlined in this report. Final payment will be based on the actual quantity of goods and services delivered and unit prices as tendered.

**REPORT**

Six tenders ranging from \$2,079,905.63 to \$3,780,935.55 were received by the closing time on 2020 May 13. The scope of this project involves the extension of storm sewers at 11 sites and includes constructing approximately 1,700m of storm sewer extensions, 32 manholes, with approximately 80 storm lateral replacements and related road rehabilitation work.

The lowest tenderer, Complete Utility Contractors, has been awarded a previous project under contract and is progressing to the satisfaction of the City. Review by City staff and our consultant indicates the contractor has the necessary equipment and personnel to successfully complete the work required under this contract. The Director Engineering concurs with the above recommendation.

Funding for this capital work is included in the 2020 – 2024 Financial Plan under the following WBS elements: ELA.3163 (\$1,597,300), EMC.3163 (\$367,200), and EKA.3163 (\$16,500).
