REPORT

Three (3) tenders ranging from \$2,319,235.47 to \$4,575,421.20 were received by the closing time on 2021 June 24. The scope of this project includes:

- Surface milling;
- Deck patching;
- Placement of overlay to an approximate 7,500 m² area;
- Resurfacing of the main span, east ramp, and west ramp of the Kensington Overpass; and,

The lowest tenderer, Eurovia British Columbia, has completed previous projects under contract to the satisfaction of the City. Review by City staff and our consultant indicates the contractor has the necessary equipment and personnel to successfully complete the work required under this contract. The Director Engineering concurs with the above recommendation.

The required funding for this capital work is included in the 2021 – 2025 Financial Plan under WBS element: EMA.8002 (\$2,208,800).
