2021 NORTH BURNABY ROAD REHABILITATION AND UPGRADES**

PURPOSE: To obtain Council approval to award a contract for the 2021 North Burnaby Road Rehabilitation and Upgrades project.

RECOMMENDATION:

- 1. THAT** Council approve a contract award to Lafarge Canada for an estimated total cost of \$2,996,949.90 including GST in the amount of \$142,711.90 as outlined in this report. Final payment will be based on the actual quantity of goods and services delivered and unit prices as tendered.

REPORT

Five tenders ranging from \$2,996,949.90 to \$3,956,125.73 were received by the closing time on 2021 March 18. The scope of this project includes construction of approximately 4,200 square metres of concrete sidewalk, 2,700 linear metres of barrier curb and gutter and rehabilitation and widening of approximately 3.1 km of roadways. The contract also includes the installation of street lighting and fibre optic conduit.

The lowest tenderer, Lafarge Canada, has completed previous projects under contract to the satisfaction of the City. Review by City staff and our consultant indicates the contractor has the necessary equipment and personnel to successfully complete the work required under this contract. The Director Engineering concurs with the above recommendation.

Funding for this capital work is included in the 2021 – 2025 Provisional Financial Plan under WBS elements AEC.3147 (\$104,600) and EMC.3147 (\$2,749,800).
