**SUBJECT: UPDATE TO CODE OF CONDUCT FOR COUNCIL AND COMMITTEE MEMBERS**

**PURPOSE:** To provide an update to the draft Code of Conduct for Council and Committee members, originally presented at the February 1, 2023 Executive Committee, and to seek authority to bring forward the Burnaby Code of Conduct Bylaw to Council.

---

**RECOMMENDATION:**

1. THAT the Executive Committee recommend Council authorize the City Solicitor to bring forward the Burnaby Code of Conduct Bylaw, including the changes outlined in the report titled "Update to Code of Conduct for Council and Committee Members" and subsequent attachments dated February 16, 2023.

**REPORT**

**1.0 BACKGROUND**

In 2016, a joint Working Group on Responsible Conduct (WGRC) between the Union of B.C. Municipalities (UBCM), the Ministry of Municipal Affairs and the Local Government Management Association (LGMA) was formed to better understand issues related to responsible conduct of elected officials and to explore how B.C.'s responsible conduct framework could be further strengthened.

In September 2017, UBCM members endorsed the Policy Report of the WGRC that included several recommendations to strengthen B.C.'s responsible conduct framework.

On Nov 25, 2021 the *Municipal Affairs Statutes Amendments Act (No. 2), 2021* was adopted by the B.C. legislature, which added sections 113.1 and 113.2 to the *Community Charter* to require all local governments to publicly consider whether to establish a new code of conduct or revise an existing one within six months of a general local election. The last B.C. general local election was held on October 15, 2022.

At the February 1, 2023 Executive Committee of Council meeting, members discussed the draft Burnaby Code of Conduct Bylaw (“Bylaw”) and requested additional review of the Bylaw be undertaken. The report forwarded at the February 1, 2023 meeting is included as **Attachment #1**. Following the meeting, additional input was sought from members of Council on an individual basis.

## 2.0 DISCUSSION

To address comments made during and following the February 1, 2023 Executive Committee of Council meeting, the following changes are provided to the Committee for consideration (shown in italicized and underlined):

Replace 3.2.1 (c)(iv) with the following:

3.2.1 (c)(iv) **Members** will refrain from any form of discriminatory or defamatory conduct against another member, City staff and volunteers, or the public.

Remove 4.2.1 in its entirety and renumber section 4.2 accordingly.

Replace 4.3.1 with the following:

4.3.1 A **member** shall communicate with the public and media when representing themselves as an individual **member**. A **member** shall not communicate, or imply that the **member** is communicating, on behalf of Council as a whole or of the City unless expressly authorized to do so (i.e. Acting Mayor).

In addition to the above, staff will create a graphically designed, succinct document which highlights the four (4) foundational principles included in the Bylaw, for easy reference. The one-page document will include a signature line for members of Council and a link to the full bylaw.

General consensus among individual members of Council was that non-Council members of committees should be held to a similar standard of Council members. However, in order to simplify the process for non-Council members of committee, it is recommended that a Committee Code of Conduct policy, for non-Council members of committees, be developed. Non-Council members that have been found to breach the Committee Code of Conduct could be removed from the committee, in accordance with current City policies and bylaws. As a result, it is recommended that all reference to Committees be removed from the bylaw.

## 3.0 POLICY SECTION

The proposed bylaw aligns with the goals of the Burnaby Strategic Plan (2022).

## 4.0 RECOMMENDATION

To meet the new requirements under the *Community Charter* for a code of conduct, it is recommended that Committee recommend Council authorize the City Solicitor to bring

forward the Burnaby Code of Conduct Bylaw, including the changes outlined in the report titled "Update to Code of Conduct for Council and Committee Members" and subsequent attachments dated February 16, 2023. Following adoption of the proposed bylaw, staff will provide Council and Committee members training and resources on the Code of Conduct.

Once the Burnaby Code of Conduct Bylaw is adopted, Council will be required within six (6) months after every general local election to determine whether it should be reviewed. At any time, Council can request staff to bring forward amendments to the bylaw.

In 2016, a joint Working Group on Responsible Conduct (WGRC) between the Union of B.C. The last B.C. general local election was held on October 15, 2022.

## 2.0 DISCUSSION

The proposed Burnaby Code of Conduct Bylaw (**Attachment #1**) is the first of its kind for Burnaby City Council and Committee members and is based on the provincial guidance documents and research findings from other local governments in B.C. which have already considered and adopted their codes of conduct.

The purpose of the proposed Code of Conduct is to promote a high standard of ethical conduct from those in elected and appointed offices by proactively fostering respectful relationships between decision-making and advisory bodies of Council and City staff, contractors and volunteers, and with the public they serve and represent. Like other municipalities in B.C., the proposed Code of Conduct Bylaw requires Council, as well as appointed Committee members, to adhere to the same standards of behavior as set out in the bylaw. By requiring both Council and Committee members to act in accordance with the proposed Code of Conduct, it protects the public as well as the staff members, contractors and volunteers who provide services to the City.

The proposed Burnaby Code of Conduct Bylaw is based on four foundational principles, which are prescribed in the provincial Principles for Codes of Conduct Regulation. These principles are as follows:

- a) **Integrity:** Integrity is conduct and behaviour that respects and upholds the public interest and promotes public confidence in local government. Integrity is based on honesty and the active demonstration of the highest ethical standards and professionalism in all dealings.
- b) **Accountability:** Accountability is conduct and behaviour that exhibits the willingness to account for and accept responsibility for one's conduct, behaviours, words, actions and decisions.
- c) **Respect:** Respect is to behave and conduct oneself with politeness, honour, and care shown towards someone or something by demonstrating due regard, deference and consideration for the perspectives, wishes, beliefs, traditions, values and rights of others.
- d) **Leadership and Collaboration:** Leadership and collaboration are conduct and behaviour that demonstrates the ability to lead, guide, actively listen, mobilize and positively influence others, while encouraging people to come together to meet and work around a common goal or objective, or to resolve conflict through collective means and efforts.

The proposed Burnaby Code of Conduct Bylaw expands on these foundational principles to establish standards that demonstrate these principles.

Flowing from the foundational principles and standards, the proposed Burnaby Code of Conduct Bylaw sets out specific conduct that Council and Committee members must abide by in the following areas:

- general conduct
- interactions with City staff, volunteers and other members
- interactions with the public and media
- use of social media
- collection and handling of City information
- use of City property, assets and premises

In order to ensure consistency between Council members and committee members, the proposed Burnaby Code of Conduct Bylaw also incorporates the provisions of the *Community Charter* relating to the following and makes the *Community Charter* requirements applicable to Council members as well as committee members who are not on Council:

- restrictions and disclosure of conflict of interest
- restrictions on use of inside and outside influence and insider information
- disclosure and restrictions on accepting gifts and personal benefits
- disclosure of contracts with the City
- mandatory leave of absence when charged with a criminal offence

Since some of remedies under the *Community Charter* relating to the above cannot be applied to members who are not Council members (**Attachment #2**), it is proposed that the complaint process and remedies under the Burnaby Code of Conduct Bylaw apply in addition to any remedies under the *Community Charter*.

The complaint process set out in the proposed Burnaby Code of Conduct Bylaw (see Schedule "A") includes informal and formal complaint and resolution procedures. In relation to the complaint process, where a Council or Committee member is found to be in breach of the Code of Conduct after a formal investigation, Council is authorized to make a final determination about the appropriate sanctions or remedial measures, which may include but are not limited to the following:

- a letter of reprimand from Council;
- a request from Council to issue a letter of apology;
- the publication of the letters of reprimand and apology to the public;
- a recommendation to attend specific training or counselling;
- limitations on access to certain City facilities;
- suspension or removal from some or all Council committees and bodies to which the Council or Committee member was appointed;
- prohibition from representing the City at events and/or attending conferences and seminars;
- suspension or removal of the appointment as Acting Mayor, if applicable;

- public censure; and/or
- any other sanction recommended by the investigator, so long as that sanction is within the authority of Council.

Reprisals, obstructions of an investigation, and vexatious allegations and complaints are prohibited under the proposed Burnaby Code of Conduct Bylaw, and a member violating these prohibitions would be subject to appropriate disciplinary action, including the sanctions and measures listed above.

Since the City's Indemnification Bylaw does not apply to any costs incurred by members that are the subject of a complaint, the proposed Burnaby Code of Conduct Bylaw also includes a mechanism and restrictions on making a request to Council for reimbursement in appropriate circumstances of legal costs for responding to a complaint. The amount of reimbursement cannot exceed \$25,000.

### 3.0 POLICY SECTION

The proposed bylaw aligns with the goals of the Burnaby Strategic Plan (2022).

### 4.0 RECOMMENDATION

To meet the new requirements under the *Community Charter* for a code of conduct, it is recommended that Committee recommend Council authorize the City Solicitor to bring forward the Burnaby Code of Conduct Bylaw, substantially in the form set out in Attachment #1 of this report. Following adoption of the proposed bylaw, staff will provide Council and Committee members training and resources on the Code of Conduct.

Once the Burnaby Code of Conduct Bylaw is adopted, Council will be required within six (6) months after every general local election to determine whether it should be reviewed. At any time, Council can request staff to bring forward amendments to the bylaw.

5.3.4 An **investigator** may be dismissed by the **CAO** (or **Corporate Officer** if the **CAO** is the **complainant**) for cause.

### 4.0 Informal Resolution

- 4.1 When the **investigator** has decided to proceed with a **complaint**, the **investigator** shall determine whether the **complaint** requires a formal investigation, or whether the **complaint** may be resolved informally. In the latter case, the **investigator** may either attempt to resolve the **complaint** directly or refer the **complaint** to the **CAO**.

- 4.2 In making a determination under section 4.1 above, the **investigator** shall give a strong preference to the informal resolution process wherever possible.
- 4.3 When determining whether the **complaint** may be resolved informally, the **investigator** may consider culturally appropriate, transformative or restorative justice approaches, and may engage a third party to assist the **investigator** for this purpose.
- 4.4 Where the **investigator** refers the **complaint** to the **CAO** for informal resolution, the **CAO** may agree to assist in resolving the **complaint** directly, or may appoint at their discretion a third party to assist in resolving the **complaint**.

If the **investigator** summarily dismisses a **complaint**, the **investigator** shall notify the **complainant**, the **respondent** and the **CAO** (or the **Corporate Officer** if the complainant is the **CAO**) in writing that the **investigator** is summarily dismissing the **complaint**, set out the reasons for the dismissal, and then close the **complaint**.

  - (b) with respect to non-compliance with a more specific **Council** policy or bylaw with a separate complaint procedure;
  - (c) with respect to a matter that is subject to another process, such as a Court proceeding or human rights complaint,

the **investigator** may reject the **complaint**, or part of the **complaint**, and shall notify the **complainant** and the **CAO** (or the **Corporate Officer** if the complainant is the **CAO**) in writing that the **complaint** is not within the jurisdiction of this **bylaw**, or that the **complaint** would be more appropriately addressed through another process, as the case may be, and set out any additional reasons and referrals the **investigator** thinks appropriate.

2.2 If the **investigator**, at any stage in the **complaint** procedure, determines that there are reasonable grounds to believe that there has been a contravention of the *Criminal Code* then the **investigator** shall immediately refer the matter to the appropriate authorities and suspend the investigation until any resulting investigation and charge have been finally disposed of, and shall report the suspension to the **CAO** and **Council**.

the **investigator** shall notify the **complainant**, the **respondent** and the **CAO** (or the **Corporate Officer** if the complainant is the **CAO**) in writing that the **investigator** is closing the **complaint**, set out the reasons for closing the **complaint**, and then close the **complaint**.
