A Salute to the

50th Anniversary

of the Burnaby Girl Guide Movement

photo by Derek Rhind

This year 1964 marks the occasion of the Golden Jubilee, the 50th year of the girl guide movement in Burnaby. Guiding first came to Burnaby in 1913 when an eager and energetic teenager named Amy Leigh arrived here from England where she had belonged to the Guide movement. She soon had a company of 25 interested

girls and served as their Captain for some time. They were officially registered as a company in 1914 and have not continuously since then without closing in the West Kingsway district for the past 50 years. In 1919 the first provincial rally was held in Victoria with twenty Burnaby girls attending. It was at this event that Amy Leigh was

presented with the Silver Fish, Guiding's highest award for outstanding service in the movement. In 1921 Mrs. F.J. Gavin was appointed commissioner for Burnaby and in 1922 the first local association was formed with Mrs. J.A. Murray, president, Mrs. W.G. Morris, treasurer, Miss Amy Leigh, secretary, Mrs. E.A. There are about three dozen girls in the Burnaby Girl Guide Unit. Most of them are in the 11th year of high school.

Girls Camp Dedicated

The real proof of Burnaby's growth since 1917 when the first membership was recorded is the dedication of an entire year to the development of the girls. The Burnaby Girl Guide Unit has been able to hold three district camps and a number of smaller ones. The girls have been able to take part in the annual camp in the Burnaby area. Dear Mrs Pearson

I have just received your letter giving me this news of your doings, and how very fine it is that your group of Guides and Brownies, are having a special gathering on Mothers' Day, and I hope that it will all be very successful.

I send you my very best wishes for a very joyous occasion, as you celebrate this very special time in the history of your branch of our great Guide WORLD SISTERHOOD.

What a good fine record this is that has been set up by the Guides and Guiders who you are honouring on this day, and I would like to add my own personal congratulations to Mrs Armstrong and to her daughter, Irene, as well as to Margaret Powell and Donna Bendickson, on having carried on so well in all their Guide and Brownie activities through the years that have gone by.

Mrs Malinowsky too, must be proud to be assisting in all this jolly good work that is going on in your part of Vancouver - where I know, from personal experience, Guiding has always been on a GOOD FOOTING AND being carried out on as high a standard as anywhere else!

You are, I understand, to have the Canadian H.Q. Council Meeting in your City soon, and this will give you all fresh encouragement & inspiration to go ON and go FORWARD with courage and happy confidence in your tasks.

BEST WISHES, and my warmest remembrances to you all

Dear Mrs. Armstrong:

Would you let your Company know how much we appreciated your kind donation of the many items of Cub and Scout uniforms given to me recently.

We are now corresponding with our Prince George office which looks after the Yukon Territory and the Native Indian Groups in our northern area. I am sure they will be able to put this material to good use.

I am also asking that when they do present the uniforms they will please try and get photographs for your Centennial scrap-book.

I think this project of your Company is an outstanding Centennial project. Would you please extend my congratulations to all your Guides.

Sincerely,

Dear Mrs. Armstrong & Girl Guides:-

Our sincere thanks to you all on behalf of our patients for the large cartons of wrapped parcels. It was most helpful having a list of the contents. These parcels have certainly brought many hours of pleasure to our boys and girls. We are saving the skipping rope to use in the playground in the spring.

Two little crippled girls have the wicker couch and chair, they play with them and their little dolls every day. The older children enjoy reading the books and magazines.

Thank you again for your kindness and time.

Sorry I have been so long writing to thank you. Wishing you much success in all your activities in 1967.
