

CORPORATION OF THE DISTRICT OF BURNABY

BY-LAW NO.711.

A By-law to amend the "Burnaby Health By-law, 1926".

The Municipal Council of the Corporation of the District of Burnaby ENACTS AS FOLLOWS:-

1. The "Burnaby Health By-law 1926" is hereby amended by adding to Section 1 thereof the following:-

"The expression 'tourist camp' where used in this by-law shall include and mean any tract or parcel of land owned maintained or used for public camping upon which tract or parcel of land persons may camp either free of charge or by the payment of a fee".

2. The following regulations shall apply to all tourist camps in the Municipality of Burnaby:-

(a) A water supply of sanitary quality shall be provided in ample quantity to meet all requirements of the maximum number of persons using such tract at any time. Said water supply shall be easily obtainable from faucets on a pipe-distributing system within any tourist camp.

(b) Water-flushed toilets shall be provided and shall be maintained in a clean and sanitary condition. Separate toilets for men and women shall be provided, one for each fifty men, and one for each fifty women, or fraction thereof, of the maximum number of persons occupying any tourist camp at any time. No cabin or dwelling within any tourist camp shall be at a greater distance than 400 feet from both men's and women's toilet. The location of all toilets shall be plainly indicated by signs.

(c) There must be a basin or sink in each cabin or dwelling in every tourist camp as provided in the "Burnaby Health By-law 1926".

(d) Supervision and equipment sufficient to prevent littering of the ground with rubbish, garbage, or other refuse shall be provided and maintained. Fly-tight depositories for such materials shall be provided and conspicuously located. Each and every camp on said tract shall be within a distance of not over 200 feet of such a depository. These depositories shall not be permitted to become foul-smelling or unsightly or breeding places for flies, and shall be emptied and the contents thereof disposed of at least once per week.

(e) No cows, horses or any other animals are to be kept on any tourist camp while the camp is in operation.

(f) The method of final sewage or refuse disposal utilized in connection with the operation of any camp shall be such as to create no nuisance.

(g) Tourist camps are for transients and no permanent tenants shall be permitted, unless otherwise provided for in the said "Burnaby Health By-law 1926".

(h) All guests on arrival at any tourist camp must have their names entered on a register kept for that purpose, and said register is subject to inspection by the Medical Officer of Health or Police Officers at any time.

(i) The Medical Officer of Health or Police Officers, shall have the right of entry to, and inspection of any tourist camp at all hours, but shall not have the right without lawful authority to enter any cabin or dwelling in said tourist camp whilst the same is occupied.

(j) There shall be at least one person in charge of a tourist camp on every day that campers or picnickers occupy the same. Such person shall do whatever may be necessary to keep said tourist camp and its equipment in a clean and sanitary condition.

(k) The management of every tourist camp or picnic ground

shall assume responsibility for maintaining in good repair all sanitary appliances on said ground, and shall promptly take such action as may be necessary to prosecute or eject from such ground any person that wilfully or maliciously damages such appliances or any person that in any other way fails to comply with these regulations.

(l) Each and every owner and lessee of any tourist camp shall be held responsible for full and literal compliance with these regulations.

(m) Failure on the part of the owner or management of any camping ground to comply with the foregoing regulations shall be deemed sufficient cause for declaring the premises a public nuisance under the provisions of the "Health Act", R.S.B.C., 1924, Chap. 102.

(n) No tourist camp shall be maintained on any parcel or tract of land having an area of less than one acre.

(o) All tourist camps shall be closed from the 15th day of October in each year until the 1st day of May in the following year.

(p) The plan of the layout or arrangement of each tourist camp must be approved of by the Council and each cabin must have a ground space of not less than one thousand square feet.

(q) The period of residence for any tourist in any auto camp or camps in the Municipality of Burnaby shall not exceed in the aggregate Thirty (30) days in any year.

(r) A copy of these regulations shall be kept posted in conspicuous places on every public camp by the owners or lessees thereof.

3. The "Burnaby Health By-law 1926, Amendment By-law 1927" is hereby repealed.

4. This By-law may be cited as "BURNABY HEALTH BY-LAW 1926,
AMENDMENT BY-LAW 1928".

DONE AND PASSED in open Council this Fourteenth (14th)
day of May A.D. 1928.

RECONSIDERED AND FINALLY PASSED this Twenty eighth (28th)
day of May A.D. 1928.
