THEREFORE the Municipal Council of the Corporation of the

as a local improvement under the provisions of the "Local Improvement  
Act".

2. The Engineer of the Corporation do forthwith make such plans,

this Council to be declared by resolution; Provided that the Council  
in its discretion may by resolution determine that the construction  
of the work or any part thereof shall be done by the Municipality  
instead of by contract. In the event of the work or any part thereof  
being undertaken by the Municipality a separate account shall be kept  
by the Treasurer of all expenditures in connection therewith.

5. The Treasurer may, subject to the approval of the Council,

agree with any bank or person for temporary advances of money to meet the cost of the work pending the completion of it.

6. The special assessment shall be paid by ten (10) annual instalments.

7. The debentures to be issued for the loan to be effected to pay for the cost of the work when completed shall bear interest at five (5%) per cent per annum and be made payable within ten (10) years on the sinking fund plan and in settling the sum to be raised annually to pay the debt the rate of interest on investments shall not be estimated at more than four (4%) per cent per annum.

8. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon, by paying the portion of the cost of construction assessed upon such lot, without the interest forthwith after the special assessment roll has been certified by the Clerk, and at any time thereafter by the payment of such sum as when invested at not more than four (4%) per cent per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the terms as they fall due.

9. This By-law may be cited as "LOCAL IMPROVEMENT CONSTRUCTION BY-LAW NO. 64, 1928".
