

THE CORPORATION OF THE DISTRICT OF BURNABY

BY-LAW NO. 974.

A By-law to authorize the construction of sewers in certain streets of the Municipality of Burnaby hereinafter mentioned as Local Improvement under the Provisions of the "Local Improvement Act."

WHEREAS notice of the intention of the Council to undertake the construction, as a local improvement, of the work hereinafter described has been duly given by publication of the notice and by service of it upon the owners of the lots liable to be specially assessed, and the publication and service of such notice has been proved by a statutory declaration filed with the Clerk, and no petition against the work signed by a majority of the owners, representing at least one-half the value of the lots which are liable to be specially assessed, has been presented:

AND WHEREAS the Provincial Board of Health has issued a provisional certificate of approval of the said Sewer Construction Work dated the 28th. day of August, A.D. 1929 and it is therefore necessary and desirable in the public interest, on sanitary grounds, to construct such sewers in accordance with plans so approved by the Provincial Board of Health:

THEREFORE the Municipal Council of the Corporation of the District of Burnaby, ENACTS AS FOLLOWS:-

1. That a sewer be constructed in each of the following streets of the Municipality, that is to say:

(1) In Boundary Road from Venables Street northerly 110 feet.

(2) In Venables Street from Boundary Road to a point 827 lineal feet easterly on Venables Street.

- n (3) In lane between Boundary Road and Esmond Avenue from lane between Union Street and Venables Street to Venables Street.
- (4) In lane between Union Street and Venables Street from lane between Boundary Road and Esmond Avenue to Carleton Avenue.
- (5) In Union Street from Boundary Road to MacDonald Avenue.
- (6) In lane between Boundary Road and Esmond Avenue from lane between Georgia Street and Union Street to Union Street.
- (7) In lane between Georgia Street and Union Street from lane between Boundary Road and Esmond Avenue to Carleton Avenue.
- (8) In lane between Keefer Street and Georgia Street from Gilmore Avenue to Madison Avenue.
- (9) In Madison Avenue from Lane between Georgia Street and Keefer Street to lane between Albert Street and Hastings Street.
- (10) In lane between Pender Street and Keefer Street from Madison Avenue to Carleton Avenue.
- (11) In lane between Hastings Street and Pender Street from Madison Avenue to Gilmore Avenue
- (12) In lane between Albert Street and Hastings Street from Madison Avenue to Gilmore Avenue.
- (13) In Carleton Avenue from Lane between Hastings Street and Albert Street to lane between Albert Street and Pandora Street.
- (14) In lane between Pandora Street and Albert Street from Carleton Avenue to Gilmore Avenue.
- (15) In Pender Street from Manhole marked "A" three hundred forty three (343) feet easterly.
- (16) In Lane between Pender Street and Keefer Street from Gilmore Avenue to Carleton Avenue.
- (17) In Keefer Street from Manhole marked "C" three hundred and forty six (346) feet easterly.

2. The Engineer of the Corporation do forthwith make such plans, profiles, and specifications and furnish such information as may be necessary for the making of a contract for the execution of the work.

3. The work shall be carried on and executed under the superintendence and according to the directions of such Engineer.

4. The Reeve and Clerk are authorized to cause a contract for the construction of the work to be made and entered into with some person or persons, firm or Corporation, subject to the approval of this Council to be declared by resolution; Provided that the Council in its discretion may by resolution determine that the construction of the work or any part thereof shall be done by the Municipality instead of by contract. In the event of the work or any part thereof being undertaken by the Municipality a separate account shall be kept by the Treasurer of all expenditures in connection therewith.

5. The Treasurer may, subject to the approval of the Council agree with any bank or person for temporary advances of money to meet the cost of the work pending the completion of it.

6. The special assessment shall be paid by thirty (30) annual instalments.

7. The debenture to be issued for the loan to be effected to pay for the cost of the work when completed shall bear interest at (5%) per cent per annum and be made payable within thirty (30) years on the sinking fund plan and in settling the sum to be raised annually to pay the debt the rate of interest on investments shall not be estimated at more than four (4%) per cent per annum.

8. Any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon, by paying the portion of the cost of construction

assessed upon such lot, without the interest forthwith after the special assessment roll has been certified by the Clerk, and at any time thereafter by the payment of such sum as when invested at not more than four (4%) per cent per annum will provide an annuity sufficient to pay the special rates for the unexpired portion of the terms as they fall due.

9. This By-law may be cited as "BURNABY SEWER CONSTRUCTION BY-LAW 1929."

DONE AND PASSED in Open Council this Twenty-first (21st) day of October, 1929.

RECONSIDERED AND FINALLY PASSED this Twenty-eighth (28th) day of October, 1929.

W. L. Burdick.
REEVE.
