It is mutually agreed that any excusing, condoning or forbearance by the Lessor in respect of any default, breach or non-observance by the Lessee at any time of any covenant, provision, condition or requirement in this Lease shall not operate as a waiver of the Lessor's rights hereunder in respect of any subsequent default, breach or non-observance of the terms of this Lease and shall not defeat or affect in any way the Lessor's rights in respect of any such subsequent default or breach.

Clause 11.04 Remedies of Lessor are Cumulative

## SCHEDULE "I"

### SAFE HOUSE - GOOD NEIGHBOUR POLICY

#### Upon Opening:

1. We will draft a letter outlining the purpose of the house, the population we will be working with, the importance of the confidentiality of the house's location, the type of services we will be providing and a protocol to follow if any issues arise for the residents of the area concerning our operation.
2. We will personally go door to door delivering the letter, introducing ourselves and discussing any issues that arise. Residents will be given names and numbers of staff to contact if further questions or concerns arise.
3. If warranted, we will hold a group meeting with the residents to address any of their questions or concerns.

(The intent of this process is to provide the residents with as much information as possible about the service we are providing and to create an open and receptive relationship between the residents and ourselves.)

#### Ongoing:

1. The staff will regularly visit neighbours to ensure that any problems are addressed.
2. The staff in the safe house will respond to any concerns raised by the residents in a prompt and respectful manner. In the event of a critical incident in the house that comes to the attention of the neighbours, the neighbours will be informed (as much as possible) in order to allay their fears.
3. We will invite neighbours to the house for coffee and information once a year (without jeopardizing the privacy of the residents).
4. The exterior of the house and the yard will be maintained to the standards of the neighbourhood.
4. We would participate in any community organizational bodies the neighbourhood participates in (e.g. community block watch).
