on the following terms and conditions:

NOW THIS AGREEMENT WITNESSETH that in consideration of the premises and for the consideration aforesaid the Corporation covenants and agrees to execute a deed to the Contractors of the hereinbefore described lands and premises set forth in paragraph 1, 2 and 3 above for the consideration set forth after each description, but such Deed shall not be delivered to the Contractors until the subdivision plans and works hereinafter provided for have been duly completed and approved in writing by the Engineer and by the Approving Officer for the Corporation; and to execute an Agreement for Sale to the Contractors covering the lands and premises described in paragraphs 4, 5 and 6 above for the considerations set out in the respective descriptions, the said Agreement to be delivered to the Contractors, but the conveyances of the respective parcels shall not be delivered to the said Contractors until the subdivision plan or plans covering the blocks or any individual block and also the works hereinafter provided

for have been completed and approved in writing by the Engineer and by the Approving Officer for the Corporation.

The Contractors covenant and agree forthwith at their own expense in all things to carry out a statutory and registerable subdivision of the hereinbefore described lands and premises into building lots subject to the approval of the Approving Officer for the Corporation. A master plan of the subdivision of aforesaid lands approved by the Approving Officer and the Engineer is hereunto annexed, provided nevertheless the contractors may alter or vary the subdivision in any manner approved by the Approving Officer and the Engineer whose decision in the matter shall be final and binding. The said subdivision may cover the whole of the above described properties, or the Contractors may have subdivisions made of individual blocks, or one or more blocks on one subdivision plan nevertheless each and every plan of subdivision shall be subject as aforesaid to the approval in writing of the Engineer and of the Approving Officer for the Corporation and so that the Engineer and Approving Officer shall in the event of the Contractors desiring subdivision of individual blocks or block the Engineer and Approving Officer shall be at liberty to take into account (inter alia) appropriateness of such subdivision in relation to the layout and contour of the remainder of all the said lands.

The parties hereto covenant to and with each other that none of such subdivision plans of the whole or any part thereof shall be finally approved by the said Approving Officer and handed to the Contractors for registration, until all works hereinafter set forth shall have first been completed to the satisfaction of and a certificate in writing of approval issued by the Engineer for the Corporation.

The Contractors shall forthwith at their own expense in all things clear, and grade to full width all roads and lanes

shown on any and all subdivision plans submitted for approval, whether the roads and lanes exist at the present time or are roads and lanes created by any subdivision plan submitted for approval, making provision for culverts to properly drain the said roads and lanes and constructing culverts wherever necessary and gravel the roads to a width of 22' and the lanes to a width of 16' according to the specifications hereto annexed and marked Schedule 1, to the satisfaction of the Engineer of the Corporation.

The Contractors shall forthwith at their own expense in all things install water mains in the said roads and lanes including instalation of all connections with existing service mains and install fire hydrants according to the specifications hereto annexed and marked Schedule 2 to the satisfaction of the Engineer of the Corporation. Provided, however, the Corporation will pay two-thirds of the costs of installing approximately 1400' of 8" water main on Rumble Street, said two-thirds estimated to cost \$4387.00. The same to be paid by the Corporation to the Contractors forthwith on completion of the work unless it is mutually agreed that the Corporation may apply the same or any part thereof on account of any balance or money owing by the Contractors to the Corporation.

The said work shall be carried out in accordance with the specifications shown in Schedules 1 and 2 hereto and shall be completed on or before the 28th day of February, 1951. Provided, however, on good cause being shown the Corporation may grant in writing an extension of time to a specific date from time to time on the written application of the Contractors.

All works of every description to be undertaken by the Contractors under these presents shall be subject to the supervision of the Engineer for the time being of the

Corporation and he may in his discretion object to the manner in which, or the materials with which any such works are bring, or are proposed or intended to be executed and if the said Engineer shall so object the said works shall not be executed in opposition thereto, but shall be the subject of an arbitration.

The Contractors shall from time to time on demand in writing pay to the Corporation the costs and expenses to the Corporation representing the time and services of their Engineer in superintending the execution of the said works.

The Contractors shall upon the execution of these presents at their own expense, furnish in favour of the Corporation a duly executed bond by some responsible Fidelity Company for the due and faithful carrying out by the Contractors of the obligations herein. The said Fidelity Company shall be one of those recognized by the Supreme Court of British Columbia as acceptable to the said Court where bonds are required in cases pending before it. The premiums on the said bond shall be provided and paid by the Contractors and the Contractors shall from time to time renew the said bond and keep the same in full force and virtue until the Engineer of the said Corporation shall certify in writing that all obligations of the Contractors covered by the said bond have been duly performed.

This Agreement is personal to the Contractors and shall not be in any way assigned, transferred or put over by the Contractors without the approval in writing of the Corporation first had and obtained.

The Contractors further covenant and agree that no lot or any portion of the said land, or the said land as a whole shall be sold or dealt with until all the roads and lanes abutting thereon have been fully constructed as herein provided and all the said works in regard to roads

and lanes, water mains and hydrants and the said connections installed and otherwise as aforesaid to the satisfaction of the Engineer for the Corporation. Provided nevertheless that the Corporation agrees with the Contractors that after the said roads and lanes and the said water mains and connections have been fully completed in the whole area hereinbefore conveyed, or in any individual block covered by any one approved subdivision plan and provided the contractors shall have complied with all their other obligations hereunder to the date of each application for conveyance, the Corporation will execute in favour of the Contractors a conveyance of the whole or any such block or blocks of the said land upon receipt by the Corporation in cash of the balance owing with interest in respect of the whole or any block or blocks requested to be conveyed.

The Contractors shall duly and punctually pay the wages of all employees and workmen and the bills of all material men and all moneys due to permitted subcontractors in and about the said works or any buildings or the like upon the said land and shall keep all the said land and the Corporation's estate and interest therein free and clear of all mechanics liens or other liens under the "Mechanics Lien Act" or any other statutory provisions to the like effect.

The Corporation, having jurisdiction over the District wherein the said land is situated, shall not by reason of these presents be deemed to have waived, abandoned, limited or restricted any statutory, administrative or by-law jurisdiction vested in or exerciseable by the Corporation over and against the said lands, or the owners, tenants, occupiers or their contractors and accordingly notwithstanding these presents the Corporation shall retain and have the same full and unrestricted jurisdiction as if the said lands had been the property of some independent owner other than the Corporation

and these presents had not included the Corporation as a contracting party, any rule of law or equity regarding derogation from grant or otherwise notwithstanding.

Time is to be considered to be of the essence of this agreement and if the Contractors shall be guilty of any breach of their obligations herein, or any of them, or in case the said land of the Corporation or any part thereof shall be liened and in respect of such lien judgment shall pass against the Corporation, then and so often as the same shall happen, the Corporation may at its option and in addition to its other remedies hereunder either (a) proceed against the Contractors in accordance with the procedure prescribed in Section 310 of the Municipal Act, R.S.B.C. 1948, or (b) give to the Contractors thirty days notice in writing demanding payment or compliance with the Contractors obligations hereunder, as the case may be and in case any such default shall continue, these presents shall at the expiration of such notice (if the Corporation shall so elect) be null and void and of no effect and the Corporation shall be at liberty to repossess, resell and convey the said lands to any purchaser thereof and any moneys paid hereunder shall be absolutely forfeited to the Corporation as liquidated and ascertained damages. The said notice shall be well and sufficiently given to the Contractors if mailed to them at the address hereinbefore set forth.

In the event of this Agreement being registered and being forfeited under Subsection (b) of the last preceding clause for default being made by the Contractors as aforesaid whether before or after such registration, it is agreed that the Corporation shall be at liberty to cancel, remove and determine such registration upon the production to the Registrar of Titles of a satisfactory declaration that default

has occurred and is then continuing at the date of such production.

It is agreed between the parties that in case any dispute or question should arise between the parties relative to the construction or works to be carried out under this agreement, the same shall be referred to the arbitration and determination of one arbitrator to be mutually agreed upon between the parties and the award of the said arbitrator shall be final and conclusive. In the event of failure to agree upon the appointment of one arbitrator, each party shall appoint an arbitrator and the two arbitrators so appointed shall appoint a third arbitrator and the majority decision of the said arbitrators shall be final and conclusive. Subject at all times to the Arbitration Act for the Province of British Columbia.

IN WITNESS WHEREOF the Corporate Seal of the Corporation has been hereto affixed under the hands of its Reeve and Clerk, and the Contractors have hereunto set their hands and seals the day and year first above written.
