THE CORPORATION OF THE DISTRICT OF BURNABY

BY-LAW NO. 4130

A BY-LAW to amend "Burnaby Fire Prevention
By-law 1936".

The Council of The Corporation of the District
of Burnaby ENACTS as follows:

1. This By-law may be cited as "Burnaby Fire Prevention
By-law . 1936, Amendment By-law 1960".

2. Section 1 of By-law No. 1558, being "Burnaby Fire
Prevention By-law 1936", is amended by adding the following
definition as sub-section (c):

"(c) Approved means approved or of a standard
approved by the Fire Chief".

3. Section 3 is repealed.

4. Section 11 is repealed and the following is
substituted:

"11(1) The Fire Chief and any person under his authority
is hereby authorised and empowered to issue permits
for outdoor fires when considered safe so to do.

(2) No person shall have, set or start or cause to
be set out or started any fire outdoors without first
obtaining a permit therefor as aforesaid.

(3) Application for a permit may be made at any Fire
Hall within the Municipality on forms provided for
such purpose. A permit may be refused to any
applicant if it is considered unsafe for any reason
to have or set the proposed outdoor fire.

(4) A permit shall be in such form as the Fire Chief may from time to time prescribe and may be issued subject to such regulations and conditions as the Fire Chief may deem desirable and expedient.

(5) A permit may be issued for one specific fire or may be issued for such period of time considered proper and appropriate in the circumstances.

(6) No person who has set or started or who has caused to be set out or started any outdoor fire shall at any time leave same unattended or cause or permit same to be left unattended and shall constantly watch over, manage, and care for any such fire and shall observe every reasonable care and precaution to prevent such fire from spreading or otherwise causing any damage whatsoever."

5. By-law 1558 is further amended by inserting the following as Section 13A.

"13A. Unless same is approved no person shall put, place, pour or deliver, into any container having a capacity of less than five Imperial gallons any Class I or Class II inflammable liquid as defined in Regulation No. 7.08 of Regulation Governing the Manufacture, Sale, Storage, Carriage, and Disposal of Inflammable Liquids and Oils pursuant to the "Fire Marshall Act".
