

THE CORPORATION OF THE DISTRICT OF BURNABY

VF1993

BY-LAW NO. 4136

A BY-LAW to levy a frontage-tax to defray the annual cost of supplying light on certain highways within the Municipality in excess of that supplied at the expense of the Municipality at large.

WHEREAS pursuant to By-law No. 4029 Council did construct, upon petition, as a local improvement the necessary equipment, wires and works including standards and underground conduits for the purpose of supplying public lighting for those highways more particularly described on Plan No. C-40-A, annexed to the said By-law.

AND WHEREAS Council may levy a frontage-tax to defray the annual cost of supplying light in excess of that supplied at the expense of the municipality at large on any portion of any highway.

AND WHEREAS the said frontage-tax shall be levied on the parcels of land which abut on the said portions of highway.

AND WHEREAS a sufficient petition to supply light in excess of that supplied at the expense of the municipality at large (hereinafter called "the said service") on those portions of highway more particularly described on the aforesaid Plan No. C-40-A has been received.

AND WHEREAS a frontage-tax assessment roll has been duly prepared and confirmed.

NOW THEREFORE the Council of The Corporation of the District of Burnaby ENACTS as follows:-

1. This By-law may be cited as "BURNABY STREET LIGHTING FRONTAGE-TAX BY-LAW 1960".
2. There is hereby levied on the parcels of land which

abut on those highways more particularly described on Plan No. C-40-A, annexed to By-law No. 4029, to defray the annual cost of supplying the said service, an annual frontage-tax of 4.78 cents per taxable front foot.

3. For the purposes of this By-law the actual foot frontage shall be the taxable foot frontage provided that

(a) where the number of feet of a parcel of land which abuts on the said highways is less than 64.8 feet, the taxable foot frontage shall be 64.8 feet, and

(b) where the number of feet of a parcel of land which abuts on the said highways is more than 64.8 feet, the taxable foot frontage shall be 64.8 feet.

4. The said frontage-tax shall be collected annually by the Collector of Taxes at the same time and in the same manner as other rates.

5. The municipality shall pay that portion of the cost of supplying the said service which exceeds the total frontage-tax imposed and levied therefor.
