

CITY OF BURNABY

BYLAW NO. 9847

A BYLAW to amend Burnaby Plumbing
Bylaw 1973

The Council of the City of Burnaby ENACTS as follows:

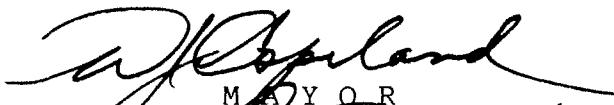

1. This Bylaw may be cited as BURNABY PLUMBING BYLAW 1973, AMENDMENT BYLAW 1993.
2. Burnaby Plumbing Bylaw 1973 is amended as follows:
 - (a) by deleting from section 2 the words "Province of British Columbia Plumbing Code 1980" and substituting therefor the words "current edition of the British Columbia Plumbing Code";
 - (b) by adding the following section:

"Cross-Connections

- 27A. (1) Where a cross-connection control device is required to be installed pursuant to this Bylaw or Burnaby Waterworks Regulation Bylaw 1953 it shall be installed in accordance with the standards prescribed in the British Columbia Plumbing Code.
- (2) The owner of any property on which a cross-connection control device is installed shall:
 - (a) maintain the cross-connection control device in proper working order at all times; and

(b) have the cross-connection control device tested upon installation, and thereafter annually, or more often if required by the Plumbing Inspector, by personnel approved by the Plumbing Inspector, to demonstrate that the cross-connection control device is in good working condition, and submit a report on the test results in a form approved by the Plumbing Inspector within thirty (30) days of a test. If a test indicates that the cross-connection control device is not in good working condition, the Plumbing Inspector shall give notice to the owner to make repairs within a time period specified in the notice and, if the owner fails to comply with such notice, the City's Director Engineering may shut off the water service to the property."
