

STP  
February 25, 1966

Mr. G.H.F. McLean,  
4373 Halley Ave.,  
South Eurnaby, B. C.

Dear George:

I am enclosing herewith a plan of the proposed development for Grandview Highway and, following your suggestion, I have noted where a strip of trees could be planted which would provide the screen that has been requested. These trees could be planted within the 66' width of Westminster Avenue, and I would feel that there will never be a requirement for a sidewalk on the west side of Westminster Avenue.

I shall look forward to hearing the outcome of the Council Meeting on Monday night.

Yours very truly,

R. G. Bentall

Encl.  
Ref. #4849

P. S. The cost of the landscaping will be approximately \$4,000, and our company would be prepared to share the cost fifty-fifty, but with our contribution not to exceed \$2,000.
