

ITEM 3

MANAGER'S REPORT NO. 45

COUNCIL MEETING July 12/71

3. Re: Request for Cancellation of Easements,
B.C. Telephone Company,
Lot 17 of District Lot 73, Group 1, Plan 38659, N.W.D.

B.C. Telephone Company has requested that we have two charges removed from the title of the above property.

The Engineer advises that there is only one sewer easement required on this property and the two "extra" easements were probably registered because they applied to the whole parcel of property from which Lot 17 was created. The Solicitor and Engineer recommend that easements RW C64906 and RW F22611 be removed.

It is recommended that Council approve of the release of the Municipality's interest in these two easements, and authorize the Mayor and Clerk to execute the necessary documents.
