

ITEM 4

MANAGER'S REPORT NO. 45

COUNCIL MEETING July 12/71

4. Re: Local Improvement Lane Paving Project 13-046
Bylaw 5695.

Local Improvement Construction Bylaw 5695, in part, calls for the pavement of a lane 14 feet wide, more or less, and 2 inches in depth, Halligan Street - McBride Street "T" lane from Imperial to Salisbury Avenue.

It has been found that it has not been possible to complete this lane, as a portion is substandard in width. As a consequence, it will be necessary to remove affected properties from the Tax Roll.

The correct description of the works is "The portion of the Halligan-McBride lane running from Imperial to McBride, not including the connection to Halligan Street".

The Treasurer recommends, and the Manager concurs, that Burnaby Local Improvement Construction Bylaw No. 5695 be amended to correct the description of the work, and that Burnaby Frontage Tax Bylaw No. 5866 be given the same treatment, and that the Municipal Treasurer be authorized to make the correcting entries on the Tax Roll for 1971.

The Municipal Solicitor has been requested to prepare the necessary amending bylaws for submission to Council on July 12th.
