7976 Winston Street,
(Item 1, Manager's Report No. 21, Council Meeting March 29, 1971).

On March 29 1971, Council was advised that the Chief Licence Inspector had received applications from the following three firms located at 7976 Winston Street:

Inter-city Express (1965) Limited,
British Pacific Transport Limited,
Overland Freight Lines Limited.

On that date Council refused to grant a business licence to each of the companies and directed that the three companies be given three months to discontinue their occupancy of the land in question. The Clerk so advised each of the companies involved, plus Mr. W.A. Street, Barrister and Solicitor.

The three months has expired and the companies have not relocated so this matter is placed before Council for further direction. It should be noted that we have recently been approached by Mr. Street, as well as a representative from Inter-City Express, inquiring as to the possibility of a land exchange and the Planning Director is presently reviewing this particular aspect of the subject. At this point in time there is no firm indication that the companies will discontinue their use of 7976 Winston Street.
