

ITEM 41
MANAGER'S REPORT NO. 45
COUNCIL MEETING July 12/71

41. Re: Dover Street At Nelson Avenue
Truncation Acquisition from the Burnaby School Board
(Design No. 700097).
-

In order to proceed with road improvements on Dover Street at Nelson Avenue, a 10 foot truncation is required on the south-east corner of the intersection.

The Land Agent has now completed negotiations with the School Board for the truncation. It is now necessary to pass a Road Acquisition and Dedication Bylaw for that portion of the lot.

It is recommended that Council authorize the preparation of the necessary Bylaw.
