

14. Re: Attendance at Canadian Association of Chiefs of Police, Inc.  
(Item No. 6, Manager's Report No. 29, Council Meeting, April 26, 1971)

Council has agreed to underwrite the annual membership fees and costs incurred for the attendance, in 1971 and in the future, of the Officer in Charge of the Burnaby Detachment of the R.C.M.P., or his designate, at the annual conferences of the Canadian Association of Chiefs of Police on the basis that such attendance will be the same as it is for conferences for all municipal staff whereby the specific approval of Council is required for attending all conferences outside of B.C.

Superintendent W. G. Lambert, O.I.C., has advised that his application for membership has been submitted and contingent on it being approved, has requested authority for attendance at this year's annual conference at Calgary, August 29 to September 3, 1971.

RECOMMENDATION:

THAT authority be granted for him to attend the Conference.
