

ITEM 25 (SUPPLEMENTARY)
MANAGER'S REPORT NO. 61
COUNCIL MEETING Sept. 27/71

25. Re: Rezoning Reference #38/71
Proposed Church Site in D.L. 86 Development Plan.

The subject rezoning was given a Public Hearing on September 21, 1971. At that time Council requested a map showing the location of those people in favour of and opposed to the subject rezoning. Attached find the requested map. We would advise that the map does not show all those petitioners in favour of the rezoning only those within a reasonable distance. Petitions in favour of the rezoning were received from all areas of the Municipality.
