

ITEM 4

MANAGER'S REPORT NO. 77

COUNCIL MEETING Nov. 29/71

4. Re: Demolition of Houses
Expansion of Bonsor Park

At the Parks and Recreation Commission meeting held on November 17, 1971, the Commission gave the following direction:

"The Parks and Recreation Commission wishes to request Council approval to demolish the following houses in order that the expansion of Bonsor Park may proceed as quickly as possible. Four of the houses are presently rented and the Land Agent has been asked to give the tenants official thirty day notices to vacate the premises by December 31, 1971.

Lot 18 - 6691 Lily Avenue
Lot 19 - 6671 Lily Avenue
Lot 20 - 6663 Lily Avenue
Lot 21 - 6649 Lily Avenue
Lot 22 - 6635 Lily Avenue "

This action is required because of the necessity to rearrange the facilities at the Park as a result of the decision to construct the #2 indoor pool in this Park.

RECOMMENDATION:

THAT authority be granted to demolish these houses as and when they are vacated.
