

11. Re: Tenders for Hastings Street Retaining Wall

Tenders were invited for the above Retaining Wall up to 10:00 a.m. local time November 5, 1971.

The work includes site preparation, excavation, the supply and installation of construction materials and backfilling for approximately 919 feet of reinforced concrete retaining wall ranging from 7 feet to 13 feet in height and including stairways, hand railing, chain link fencing, drain tiles and other work necessary and incidental thereto.

The location of the work is on the south side of Hastings from Springer Avenue to Howard Avenue.

The work of this contract shall be completed by January 31, 1972 and the estimate for the completed project is \$98,789.00.

Eleven tenders were received and opened in the presence of Mr. C.R. Walters, Mr. J.R. Hagen, Mr. K. Williams and representatives of the firms bidding.

A tabulation of the tenders received is attached.

The Purchasing Agent and the Engineer recommend acceptance of the low bid: #1 - K & F Construction Limited for the sum of \$77,606.75 with the final payment to be based on actual quantities and unit prices tendered in all cases.

Costs will be paid by the Department of Highways and will be the actual final construction cost plus layout engineering and inspection costs. We may proceed with the paving from Howard to Holdom and the work from Boundary to Esmond using a current contract that we have - all at the cost of the Highway Department.

RECOMMENDATION:

THAT the lowest tender being that of K & F Construction Limited for the sum of \$77,606.75 be accepted, with the final payment to be based on actual quantities and unit prices as tendered in each item.
