MANAGER'S REPORT NO. 38

COUNCIL MEETING June 12/72

8. Re: Resurfacing Tennis Courts
Burnaby Lake Sports Complex
Canada Summer Games Society

On June 9, 1972, the Canada Summer Games Society approved of the execution of a contract with Western Slurry Seal Limited to resurface the 11 Tennis Courts in the Burnaby Lake Sports Complex for the sum of \$20,845.00.

The Purchasing Agent attempted to get competitive quotations for the work involved as it appears that there are a limited number of contractors that can do this type of work which requires the use of a special resurfacing product. We were able to find two contractors. One contractor offered four different products and the other offered another product (see attached).

The Society has selected the lowest tender meeting the specifications (which is for "plexipave") and this was included in the revised Summer Games Budget approved by Council on May 29, 1972.

The Municipality will be drawing the necessary contract documents for execution by the Society and the Municipality will administer the contract on behalf of the Society, which procedure was generally agreed to sometime ago for all contracts. Any payments will be made by the Society.

RECOMMENDATION:

THAT this report be received; and

THAT a copy of it be forwarded to the Parks and Recreation Commission and to the Canada Summer Games Society.

TENNIS COURT RESURFACING

<u>PRODUCT</u>	<u>MANUFACTURER</u>	<u>LOCAL AGENT</u>	<u>GUARANTEE</u>	<u>REMARKS</u>	<u>PRICE</u>
Plexipave	California Products Limited	Western Slurry Seal Limited	5 years, labour and material	Excellent product, 8 year life expectancy	\$1,895.00/Court 11 courts = \$20,845.00 (Firm Quotation)
