COUNCIL MEETING May 15/72

11. Re: Letter dated May 10, 1972 -
Mr. B. Peterson and Mr. R.R. Gardner,
Burnaby Outdoor Education Association -
Development of Trails on Municipal Lands

Appearing on the Agenda for the Council meeting of May 15, 1972, is a letter dated May 10, 1972, from Mr. B. Peterson and Mr. R. R. Gardner on behalf of the Burnaby Outdoor Education Association requesting authority to develop trails on certain municipally-owned land between Deer Lake and Sussex and Gilpin and Oakalla or Bond Street.

The Parks and Recreation Administrator is pleased with the work that this group has done on Parks lands and both he and the Land Agent recommend that authority be granted for the group to undertake the development of the trail systems proposed. The group should understand that if and when the land is developed, that the trails may be destroyed and also any work carried out should be under the supervision of the Parks and Recreation Administrator.

RECOMMENDATION:

THAT authority be granted subject to the group realizing that any work may be lost when the area is developed and subject to the work being undertaken with the supervision of the Parks and Recreation Administrator.
