MANAGER'S REPORT NO. 26

COUNCIL MEETING Apr. 17/72

2. Re: Proposed Local Improvement Project -- Grange-Dover
Proposed Closure of McKercher Avenue between
Grange and Hazel Streets
(Item 13, Report No. 16, March 6, 1972)

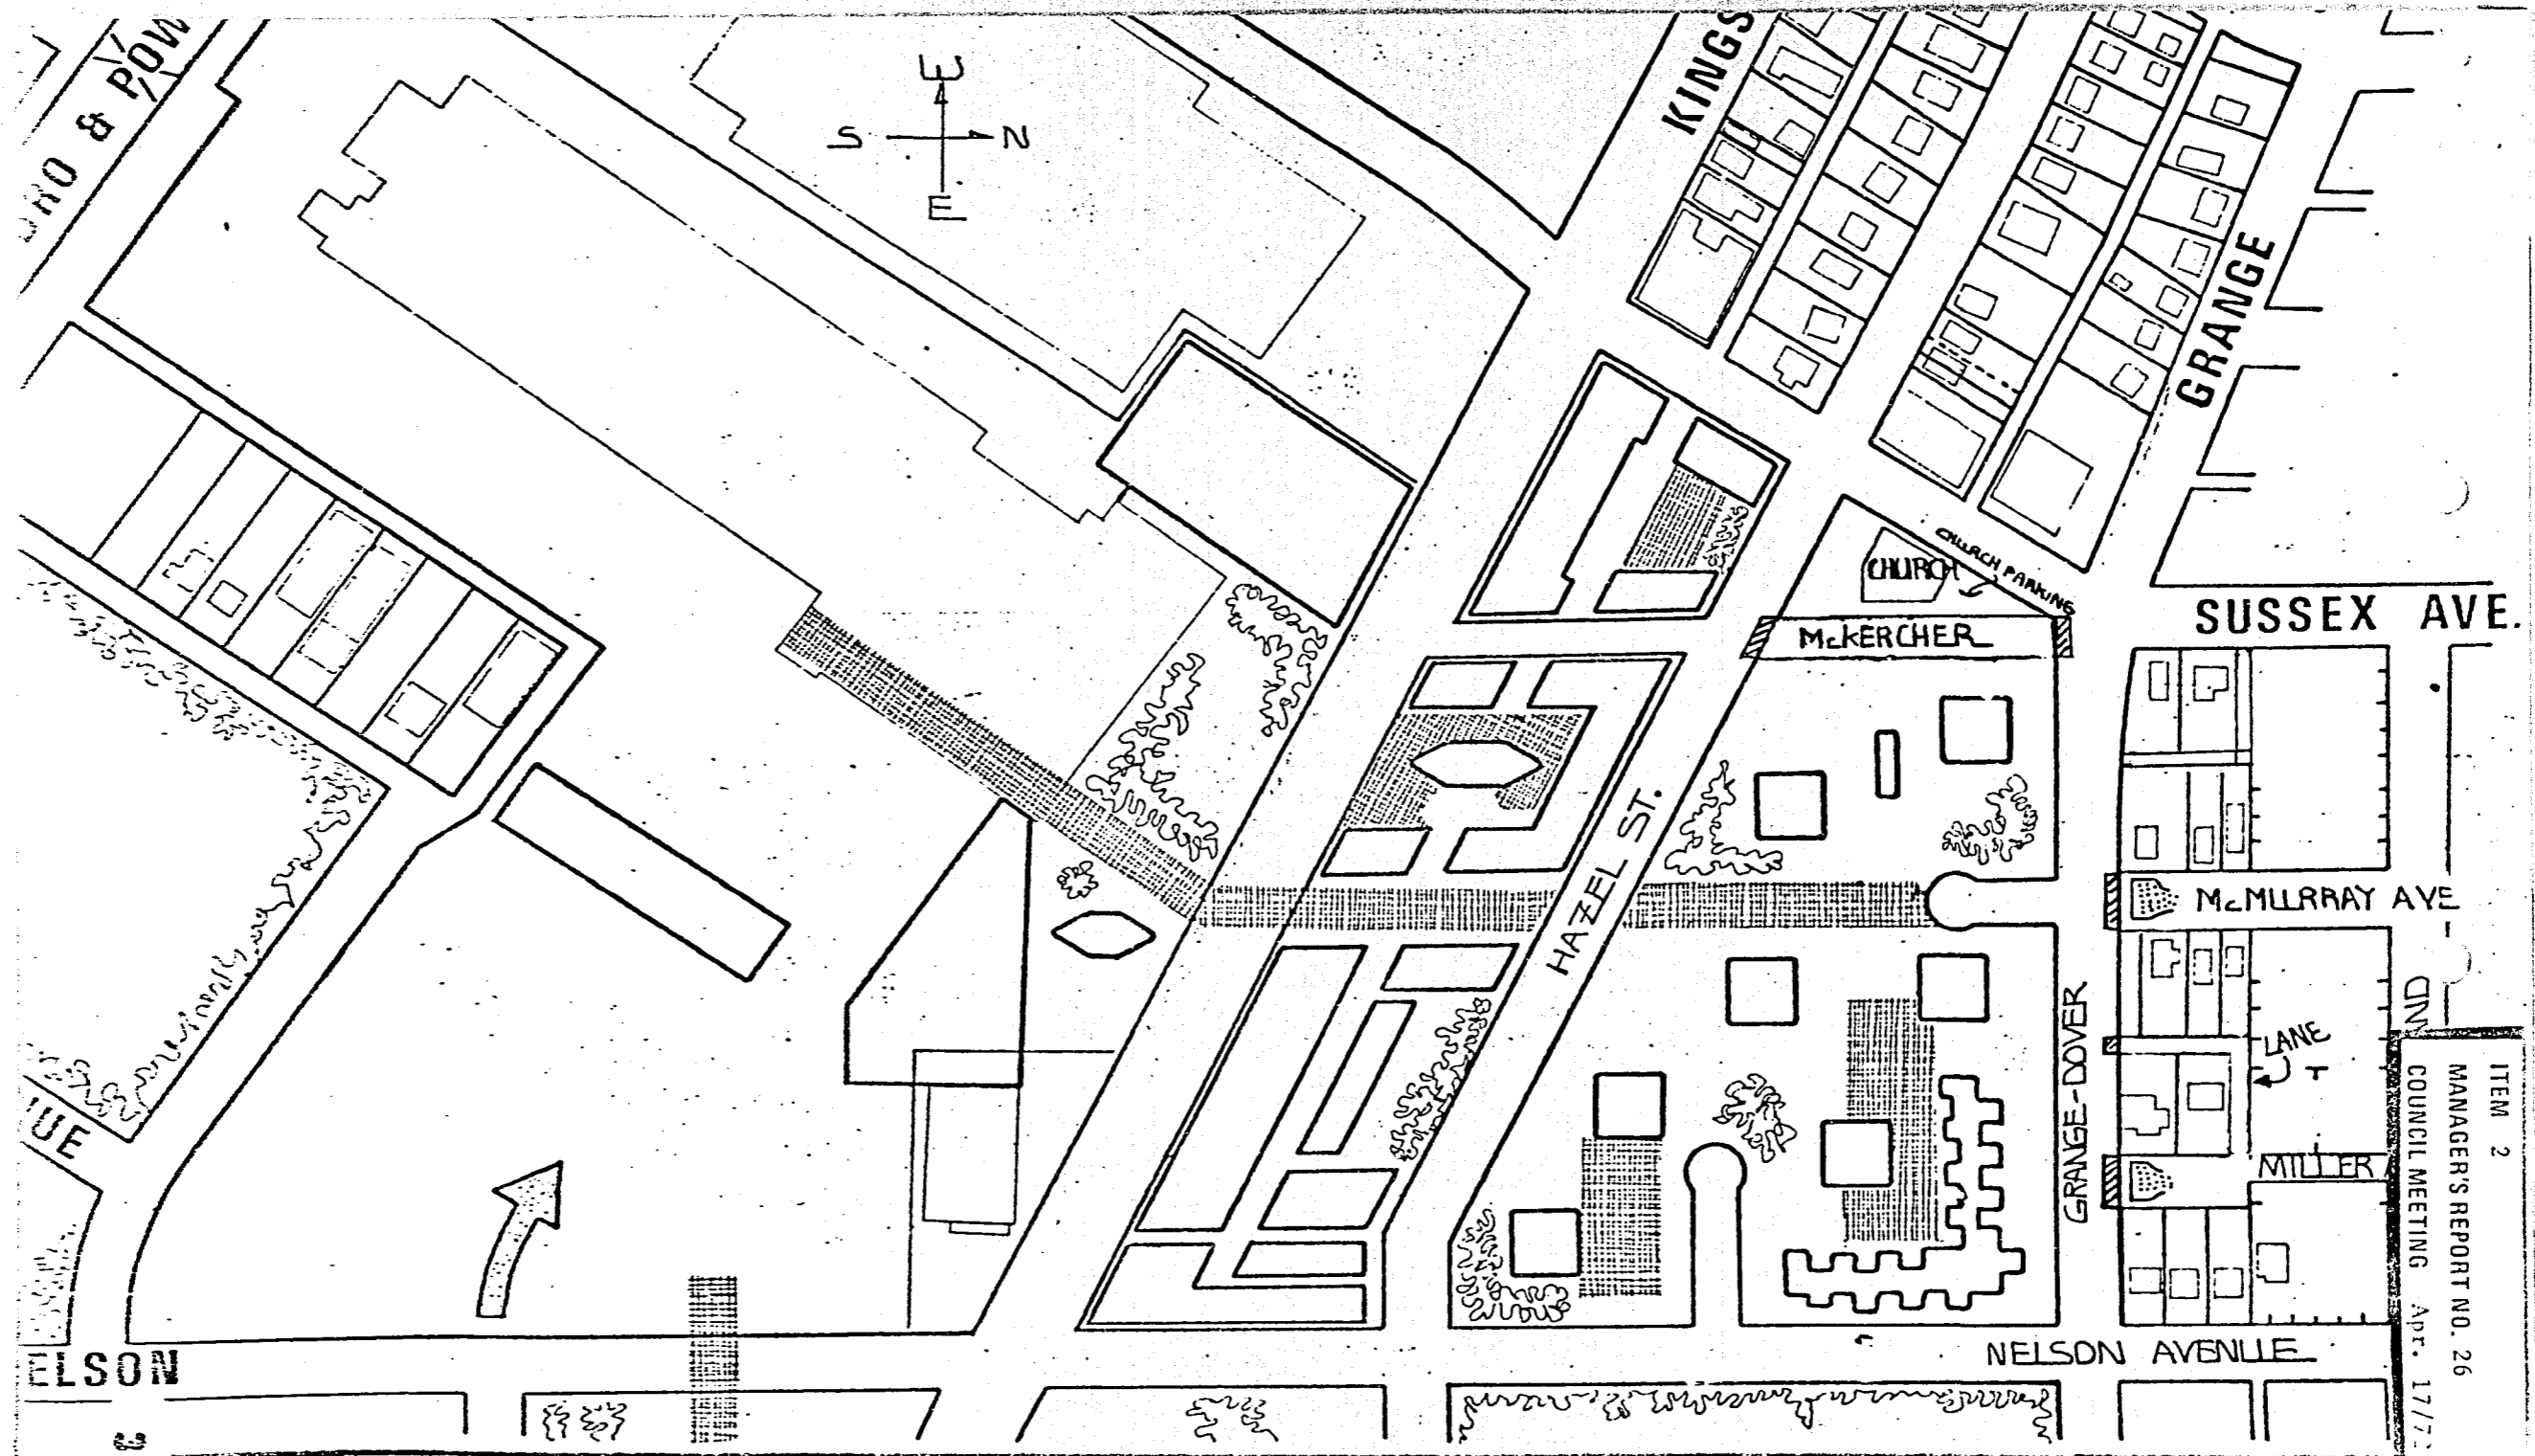

On March 6, 1972, Council approved of the closure to vehicular traffic of McKercher Avenue from Grange to Hazel Streets along with other road closure points in the general area.

We would now recommend that the Municipality petition the Lieutenant Governor-in-Council to obtain title to the 33 foot wide portion of McKercher Avenue between Grange and Hazel Streets (see attached).

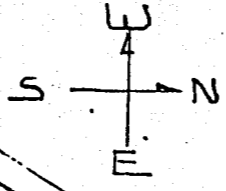

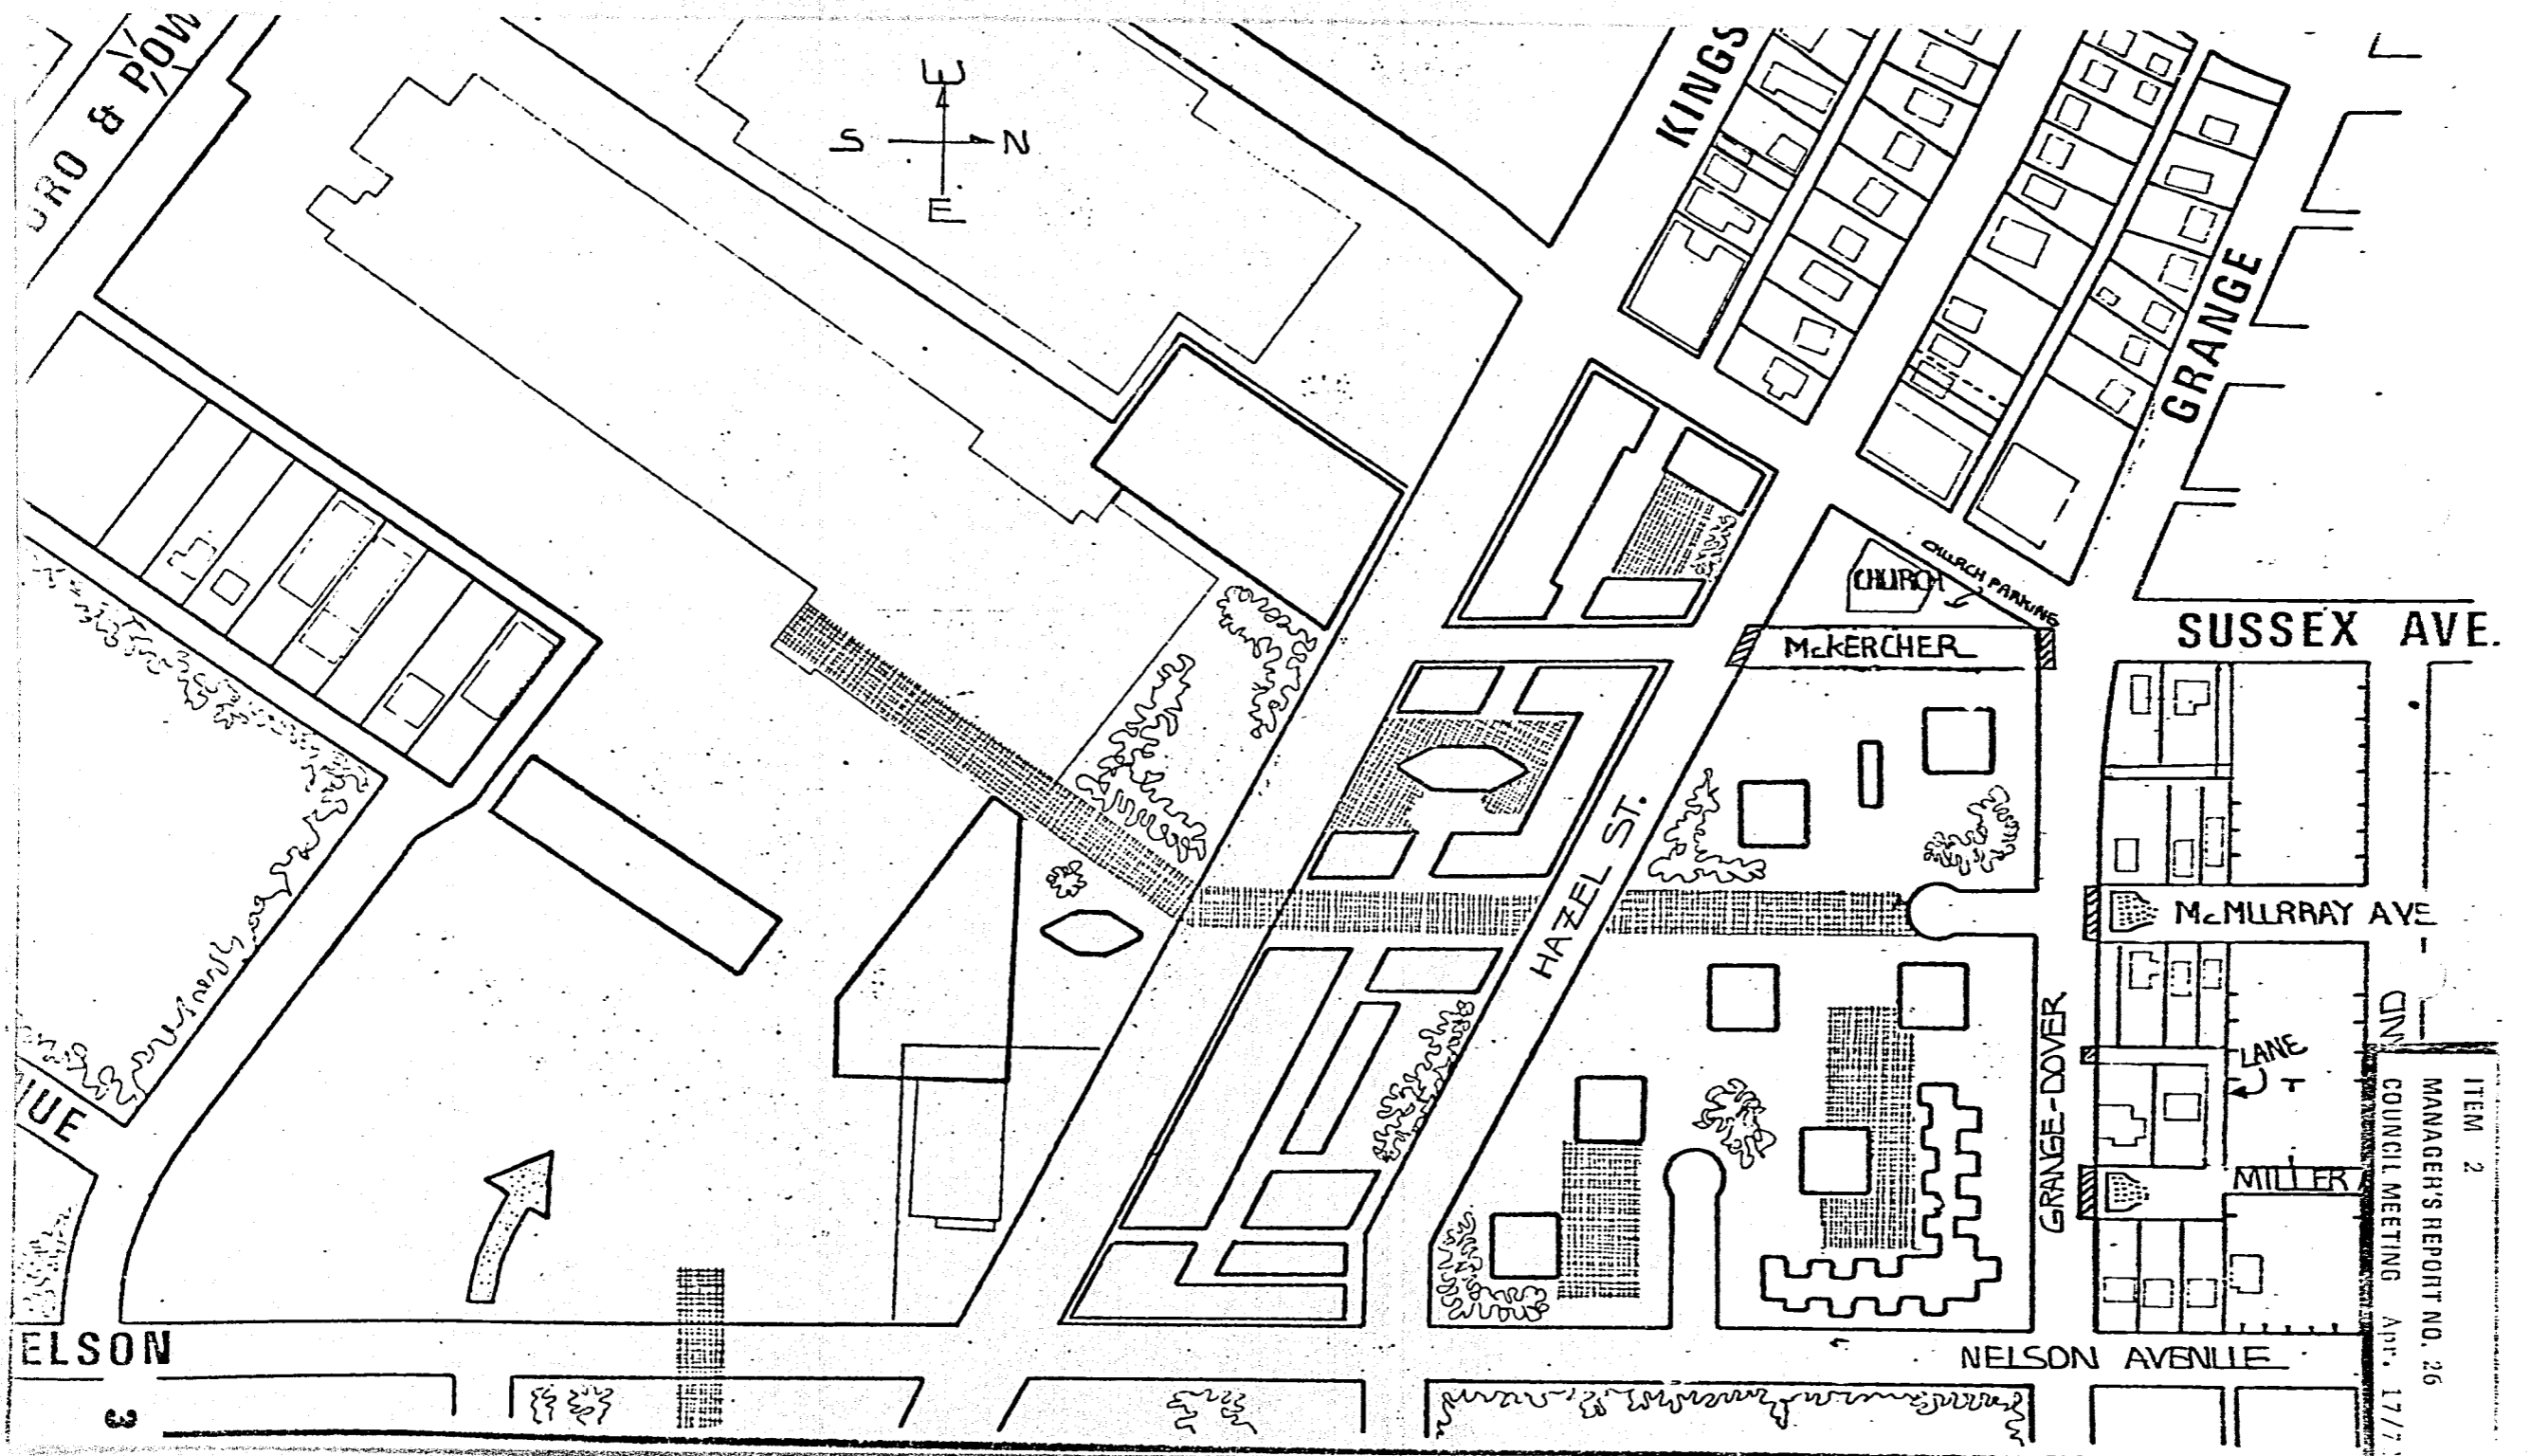

The above mentioned property could then be developed as a public walkway in better relationship to the church and apartments adjacent than the current roadway; or, save and except a public walkway, the property could be leased for church parking purposes if a suitable parking layout, circulation pattern and development standard can be developed in relation to the current church parking area adjacent the northside of the building.

RECOMMENDATION:

THAT authority be granted to petition the Lieutenant Governor-in-Council to obtain title to the 33 foot wide portion of McKercher Avenue between Grange and Hazel Streets.
