MANAGER'S REPORT NO. 28

COUNCIL MEETING Apr. 24/72

25. Re: Lane West of Lot "Z"  
(Item 15, Report No. 26, Meeting April 17, 1972)

Council on April 17, 1972 considered a request from Mr. J. A. Collins et al regarding construction of a lane between the north side of Hardwick Street (5100 block) and the south side of Fulwell Street (5000 and 5100 blocks).

The Municipal Engineer, as directed by Council, has examined the lane west of "Z" Lot and reports that this lane is currently open and paved.

RECOMMENDATION:

THAT land not be expropriated for construction of the lane; and

THAT a lane be constructed from the east to the eastside of Lot "Z" if the approval for subdivision of Lot 7 becomes finalized; and

THAT there be no refund of monies at this time; and

THAT a copy of this report be sent to Mr. J. A. Collins.
