

ITEM 12

MANAGER'S REPORT NO. 5

COUNCIL MEETING Jan. 24/72

12. Re: Burnaby Art Gallery Association Grant

The Secretary of the Parks and Recreation Commission advises the following:

"The Parks and Recreation Commission has included in its 1972 Provisional Budget an amount of \$32,475 to assist the Burnaby Art Gallery Association with the administration costs of the Gallery. The Association has requested an advance to help them over the first few months of the year.

At its meeting of January 19, 1972, the Commission approved an advance of \$8,000. Will you please obtain Council approval.

The Commission has noted that approval of the \$8,000.00 advance does not commit it to approving the total amount of \$32,475.00 when the Annual Budget is considered."

RECOMMENDATION:

THAT an advance of \$8,000 be made to the Burnaby Art Gallery Association, it being understood that this in no way commits the Commission or Council to approval of the total amount of the grant provided in the 1972 Provisional Budget.
