

ITEM 11

MANAGER'S REPORT NO. 42

COUNCIL MEETING June 26/72

11. Re: Letter - Mr. Gerald Chan, 9876 Casewell Street
Traffic & Bus Route on Casewell Street and
Astor Drive
-

Appearing on the Agenda for the June 26, 1972 Council Meeting is a letter from Mr. Gerald Chan in which he expresses his concern about the volume of traffic and a recently proposed bus route on Casewell Street and Astor Drive. He plans to present a petition on these matters to Council on June 26, 1972.

The Municipal Clerk advises that Council on May 14, 1972, approved all transit extensions that were recently proposed by the B.C. Hydro and Power Authority but at the same time did not approve of the particular bus stop adjacent to the property of Mr. and Mrs. Chan, subject to a review being made of all bus stop locations and changes when striking employees return to work. This matter is currently under review by the Traffic Safety Committee.

This is for the information of Council.
