

ITEM 19

MANAGER'S REPORT NO. 48

COUNCIL MEETING July 31/72

19. Re: Unsightly Premises

Council on July 17, 1972, was advised that the Chief Public Health Inspector is preparing a comprehensive report on alleged unsightly premises at 6565 - 12th Avenue. The report which was originally scheduled for completion on July 31, 1972, initiated in response to a complaint received from Mr. and Mrs. Furlani and others, will not be ready for submittal until August 14, 1972. The delay is caused by the complexity of the matter and the desire on the part of staff to factually prepare pertinent information for the consideration of Council.

RECOMMENDATION:

THAT Mr. and Mrs. Furlani be advised that a report concerning their complaint will be submitted to Council on August 14, 1972.
