

ITEM 15

MANAGER'S REPORT NO. 44

COUNCIL MEETING July 4/72

15. Re: Government Street, Between Brighton and Phillips Avenues
Local Improvement

Mr. J. E. Greenfield appeared before Council on June 26, 1972, and presented a brief and a petition suggesting a change in the width of the street that is proposed between Piper and Brighton Avenues. He also raised other questions and the whole matter was referred to the Municipal Manager for report at the next meeting of Council.

We have not had sufficient time to assess the suggestions made by Mr. Greenfield, nor to properly prepare a report commenting on the points that he raised. In the meantime, the Municipal Engineer has asked the contractor to defer action on the construction of the street until further notice.

RECOMMENDATION:

THAT this matter be tabled until the July 17, 1972, Council meeting; and

THAT a copy of this report item be sent to Mr. J.E. Greenfield.
