MANAGER'S REPORT NO. 36

COUNCIL MEETING June 5/72

4. Re: Brentwood Gardens - Broadway and Holdom Avenue

Council received a letter on May 29, 1972, from Mr. Brian M. Corkum (dated May 12) containing a number of suggestions relating to the operation of condominium developments in the Municipality.

Reference was made in that letter to the development known as "Brentwood Gardens" at Broadway and Holdom Avenue.

It was recalled by Council that some problems had been drawn to its attention in the past when the Brentwood Gardens development was being built.

The Chief Building Inspector advises that the problems associated with Stage 1 of the development have been corrected and that the company is now proceeding with Stage 3 of the development.

This is for the information of Council.
