Mr. M. J. Shelley
MUNICIPAL MANAGER

Dear Sir:

Re: Proposed Local Improvement Program 1974
Hurst Street - Boundary Road to Joffre Avenue

The Municipal Clerk received a petition advising the Corporation that the majority of resident owners are not in favour of any proposed improvements for the 3700 block Hurst Street.

The petition was prompted by the presence of surveyors working on the street gathering grade design data and conversation with this Department.

Recommendation:

In view of the pre-registered objections from 11 of the total 15 property owners in the 3700 block we recommend that Hurst Street from Boundary Road to Joffre Avenue be excluded from the 1974 proposed Local Improvement Program.

Respectfully submitted,

E. E. Olson
MUNICIPAL ENGINEER
