MANAGER'S REPORT NO. 94

COUNCIL MEETING Dec. 17/73

21. Re: Letter dated December 3, 1973 from Canoe British Columbia  
1606 West Broadway, Vancouver 9, British Columbia  
Training Centre at Burnaby Lake for Paddling Clinics

Appearing on the Agenda for the December 17, 1973 meeting of Council is a letter from Canoe British Columbia requesting approval of a proposal to establish a training centre at Burnaby Lake for paddling clinics.

The Parks and Recreation Administrator advises that the request from Canoe British Columbia will be the subject of a staff report anticipated for presentation to the Parks and Recreation Commission at its meeting of December 19, 1973. The Parks and Recreation Administrator also advises that there appear to be no problems in accommodating the request of Canoe British Columbia on the same basis that we are accommodating the Canadian Association Amateur Oarsmen.

This is for the information of Council.
