MANAGER'S REPORT NO. 69

COUNCIL MEETING Sept. 17/73

17. Re: Letter Dated September 13, 1973 from R.A. Wattie
1075 West Georgia Street, Vancouver, B. C.
Business Licence - Davies Chimney and Roofing Company Ltd.

Appearing on the Agenda for the September 17, 1973 meeting of Council is an appeal for a business licence which the Chief Licence Inspector refused to issue to Davies Chimney and Roofing Company Limited. The appellant's solicitor, Mr. R.A. Wattie, has requested permission to appear as a delegation before Council on September 17, 1973.

The letter from Mr. R. A. Wattie was not received by the Chief Licence Inspector until Friday afternoon, September 14, 1973. It will therefore not be possible for the Licence Department to provide Council with a full report on the matter until September 24, 1973.

This is for the information of Council.
