

ITEM 11

MANAGER'S REPORT NO. 45

COUNCIL MEETING June 18/73

11. Re: Beecher Park
(Item 18, Report No. 37, May 14, 1973)
(Item 4, Report No. 41, May 28, 1973)

Council and the Parks and Recreation Commission when granting authorization to acquire an easement over a portion of Beecher Park requested that the Planning Department submit information on the proposed road plans for this area. This information was received by Council on May 28, 1973 and by the Commission on June 6, 1973.

The Commission on June 6, 1973 expressed concern about pedestrian access to Beecher Park when the proposed Nation Way is constructed. The following motion was passed on that date:

"That the Commission ask Council to give consideration to safe access to Beecher Park from the north-east, by either underpass or overpass."

RECOMMENDATION:

THAT the Commission's motion regarding safe access to Beecher Park be referred to the Planning Department for study and comment.
