MANAGER'S REPORT NO. 45

COUNCIL MEETING June 18/73

12. Re: Byrne Creek Ravine Park

At its meeting on June 6, 1973, the Parks and Recreation Commission discussed with the Director of Planning the possible construction of a road through the Byrne Creek Ravine (a plan for the proposed road was developed some years ago). The Commission as a result of the discussion resolved to advise Council that the Commission desires the Byrne Creek Ravine Park to remain connected to Ron McLean Park, and does not want any road located through the ravine.
