MANAGER'S REPORT NO. 1

COUNCIL MEETING Jan. 2/73

6. Re: Tender for One Four-Door Sedan

Tenders have been received for one four-door sedan for Mayor Prittie. Council on June 30, 1972, authorized that the Manager be assigned a car, and in compliance with this authorization, it is recommended that he be assigned the 1970 Dodge which is presently being used by the Mayor rather than trade it in. The 1970 Dodge was the car assigned to the former Manager.

The Mayor preferred the Dodge to the Marquis Brougham and he has been driving it since last summer. The Marquis Brougham was transferred to the Fire Department when the Fire Chief's car was demolished in an accident last summer. It is our intention to dispose of it in 1973, and credit it to this purchase.

Six bids were received and opened in the presence of Messrs. K. Williams, R.J. Constable and representatives of the bidding firms. A tabulation of the tenders received is attached.

Low tenders numbered 1 and 2 on the attachment fail to provide a vehicle of the quality indicated in the specifications. Doug's Automotive Limited, tender number 4, has submitted the lowest tender that complies with the specifications. The Purchasing Agent therefore recommends acceptance of this bid to supply a 1973 Model, Buick Century Luxus Sedan for the sum of \$4,723.01, including all taxes, licence and registration fees.

The purchase of this vehicle would be charged to C.I.P. 35-01-039.

RECOMMENDATIONS:

THAT the lowest tender meeting the specifications, from Doug's Automotive Ltd. for a 1973 Buick Century Luxus Sedan in the amount of \$4,723.01, to include all applicable taxes, licence and registration fees, be accepted; and

THAT the amount be charged to C.I.P. 35-01-039; and

THAT the Buick Century Luxus Sedan be assigned to Mayor Prittie; and

THAT the Mayor's present 1970 Dodge be assigned to the Manager.
