Columbian 4Rinks Limited

Appearing on the Agenda for the January 2, 1973, meeting of Council is a letter dated November 30, 1972, from Mr. S. Floyd, Vice-President and General Manager of Columbian 4Rinks Limited, concerning a request for the purchase of municipally owned property on Sprott Street.

The Manager in a letter dated November 17, 1972, provided Mr. Floyd with reasons why the land in question should not be used for the proposed expansion of ice rink facilities. The Manager's letter is attached to the letter which Mr. Floyd has written to Council.

The letter from the Manager to Mr. Floyd, which recommends against the development of additional ice rink facilities in the Central Area at this time, represents the opinions of both the Director of Planning and the Land Agent.

RECOMMENDATION:

THAT Council ratify staff's recommendation that no further development of additional ice rink facilities be allowed in the Central Area at this time.
