

ITEM 1
MANAGER'S REPORT NO. 5
COUNCIL MEETING Jan. 22/73

1. Re: 1973 Annual Dues - Union of B.C. Municipalities

We have received an account from the Union of B. C. Municipalities for \$2,728 for our 1973 Annual Dues.

Our 1972 Annual Dues were \$2,493 based on a population of 112,009. The last census shows our population as 125,660.

The account for \$2728 is based on the same unit rate paid in 1972.

The amount included in the 1973 Provisional Budget is \$2,493.

We only have authority to pay the \$2,493 included in the Budget. The balance of the account -

	\$ 2,728
-	2,493
	<hr/>
	\$ 235

if approved, would be included in the Annual Budget to be submitted in April and it would be paid after the Annual Budget is adopted.

RECOMMENDATIONS:

THAT the account for \$2,728 be accepted; and

THAT the \$2,493 included in the Provisional Budget be paid on account.
