

ITEM 2

MANAGER'S REPORT NO. 5

COUNCIL MEETING Jan. 22/73

2. Re: 1973 Annual Dues
Canadian Federation of Mayors and Municipalities

We have received an invoice from the Federation for our 1973 Annual Dues which amounts to \$3,105.40 (2.5¢ for 124,216 population).

This is the same unit rate that we paid for 1972.

The Provisional Budget provides for an expenditure of \$3,101.00 for this purpose which is the amount we paid last year.

The census has now been finalized at 125,660.

Since the amount specifically included in the Provisional Budget is not quite enough, we will require authority to pay the account rendered. The General Contingency Account will look after the difference.

RECOMMENDATION:

THAT the amount for \$3,105.40 be paid.
