COUNCIL MEETING May 22/73

13. Re: Letter Dated May 7, 1973 from Mr. Harold K. Egger,  
4045 Rumble Street  
Unsightly Premises on the West Side of  
Ocean View Burial Park Fence

Appearing on the Agenda for the May 22, 1973 meeting of Council is a letter from Mr. Harold K. Egger regarding unsightly premises on the west side of Ocean View Burial Park fence.

The Chief Public Health Inspector has investigated the matter and advises as follows:

"An inspection of the area in question was carried out by this Department on May 14, 1973. Inspection revealed some broken concrete, a pile of gravel and a small pile of earth along the west property line on the Ocean View cemetery property. There was no evidence of debris or garbage.

While we do not consider the condition to be in contravention of the Unsightly Premises By-law, we will discuss the situation with the cemetery authorities."

The Chief Public Health Inspector will keep in contact with Mr. Egger on this matter.

RECOMMENDATION:

THAT a copy of this report be sent to Mr. Harold K. Egger.
