

16. Re: Proposed Signs for Canada Summer Games

Following is a report from the Director of Planning regarding the proposal to erect two signs to publicize the Canada Summer Games.

RECOMMENDATIONS:

THAT permission be given to issue permits for the erection of the subject signs; and

THAT a copy of this report be sent to the Canada Summer Games Society.

PLANNING DEPARTMENT
17 MAY, 1973

SUBJECT: PROPOSED SIGNS - CANADA SUMMER GAMES

Application has recently been received by the Planning Department for permits to allow the erection of two signs over public property at the approximate locations shown in attached sketch. These signs are countdown signs for the upcoming Canada Summer Games and are to be erected as temporary structures only, and removed within three days after the event. A sketch of their size and content is attached for Council's information.

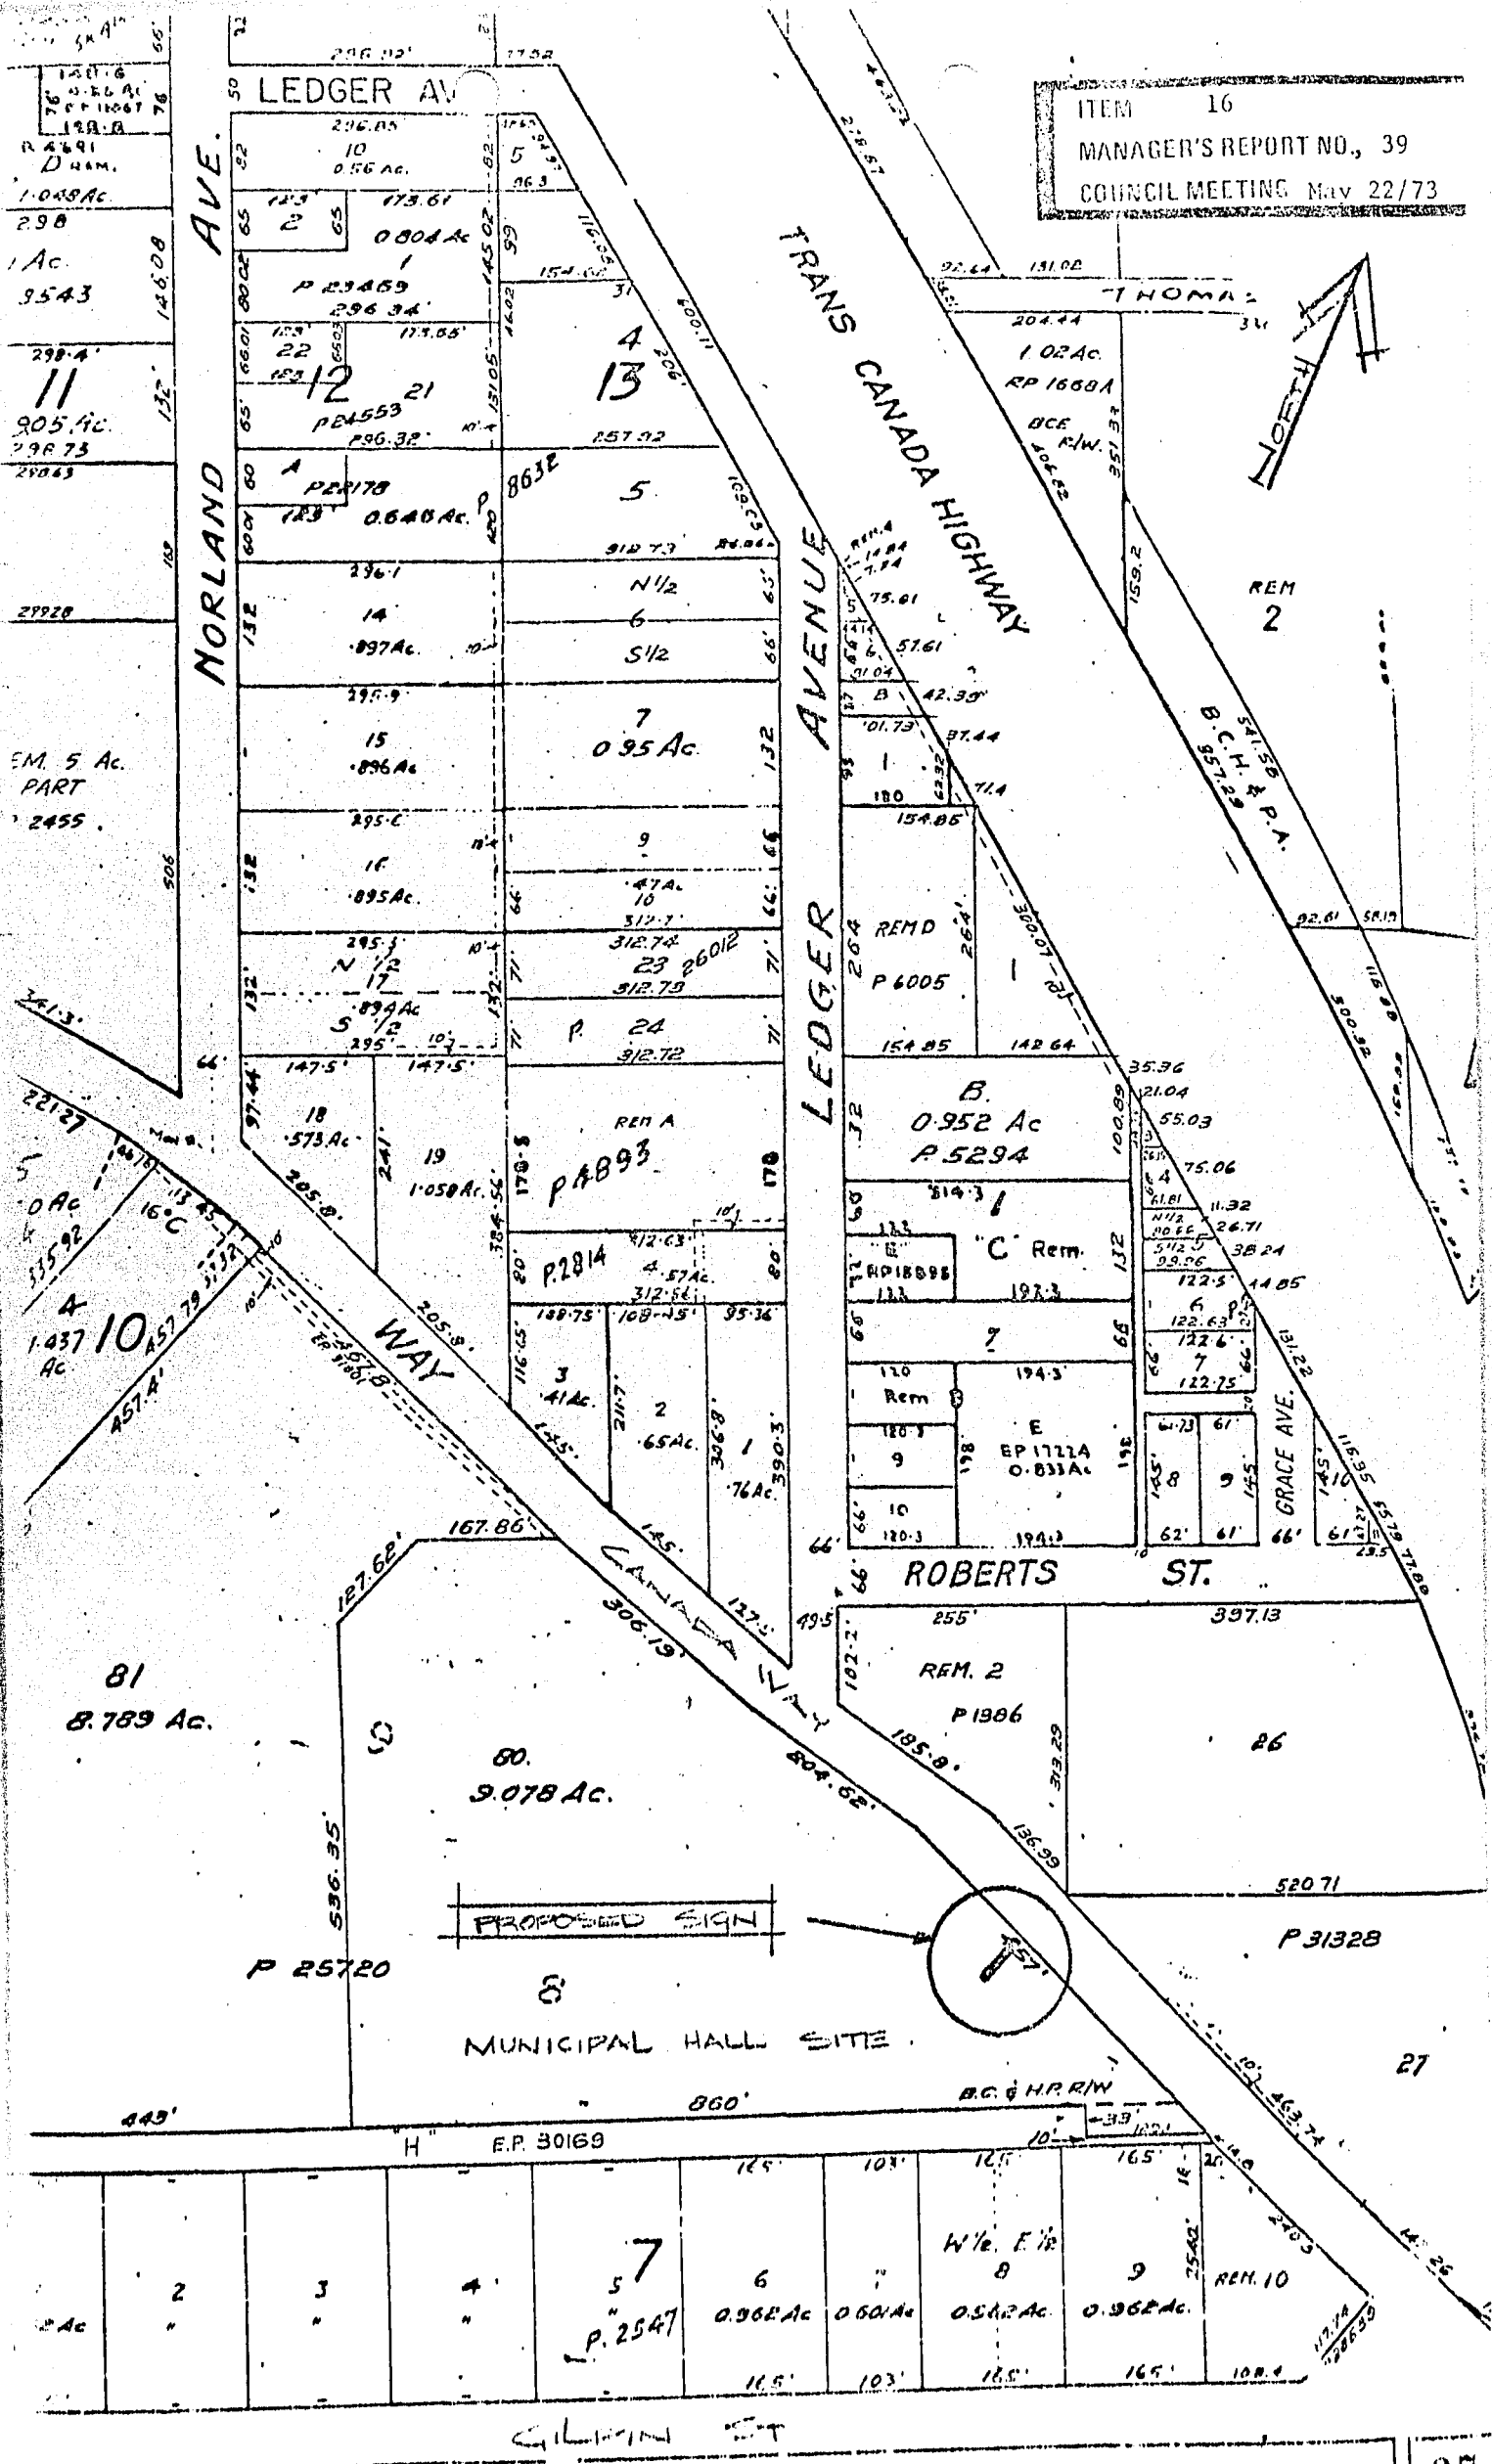

Under the regulations contained in Schedule No. I of the Burnaby Sign By-law, the proposed signs are permitted, however, Council permission must first be obtained before permits can be issued. The attached plans are therefore submitted to Council for approval.

Respectfully submitted,

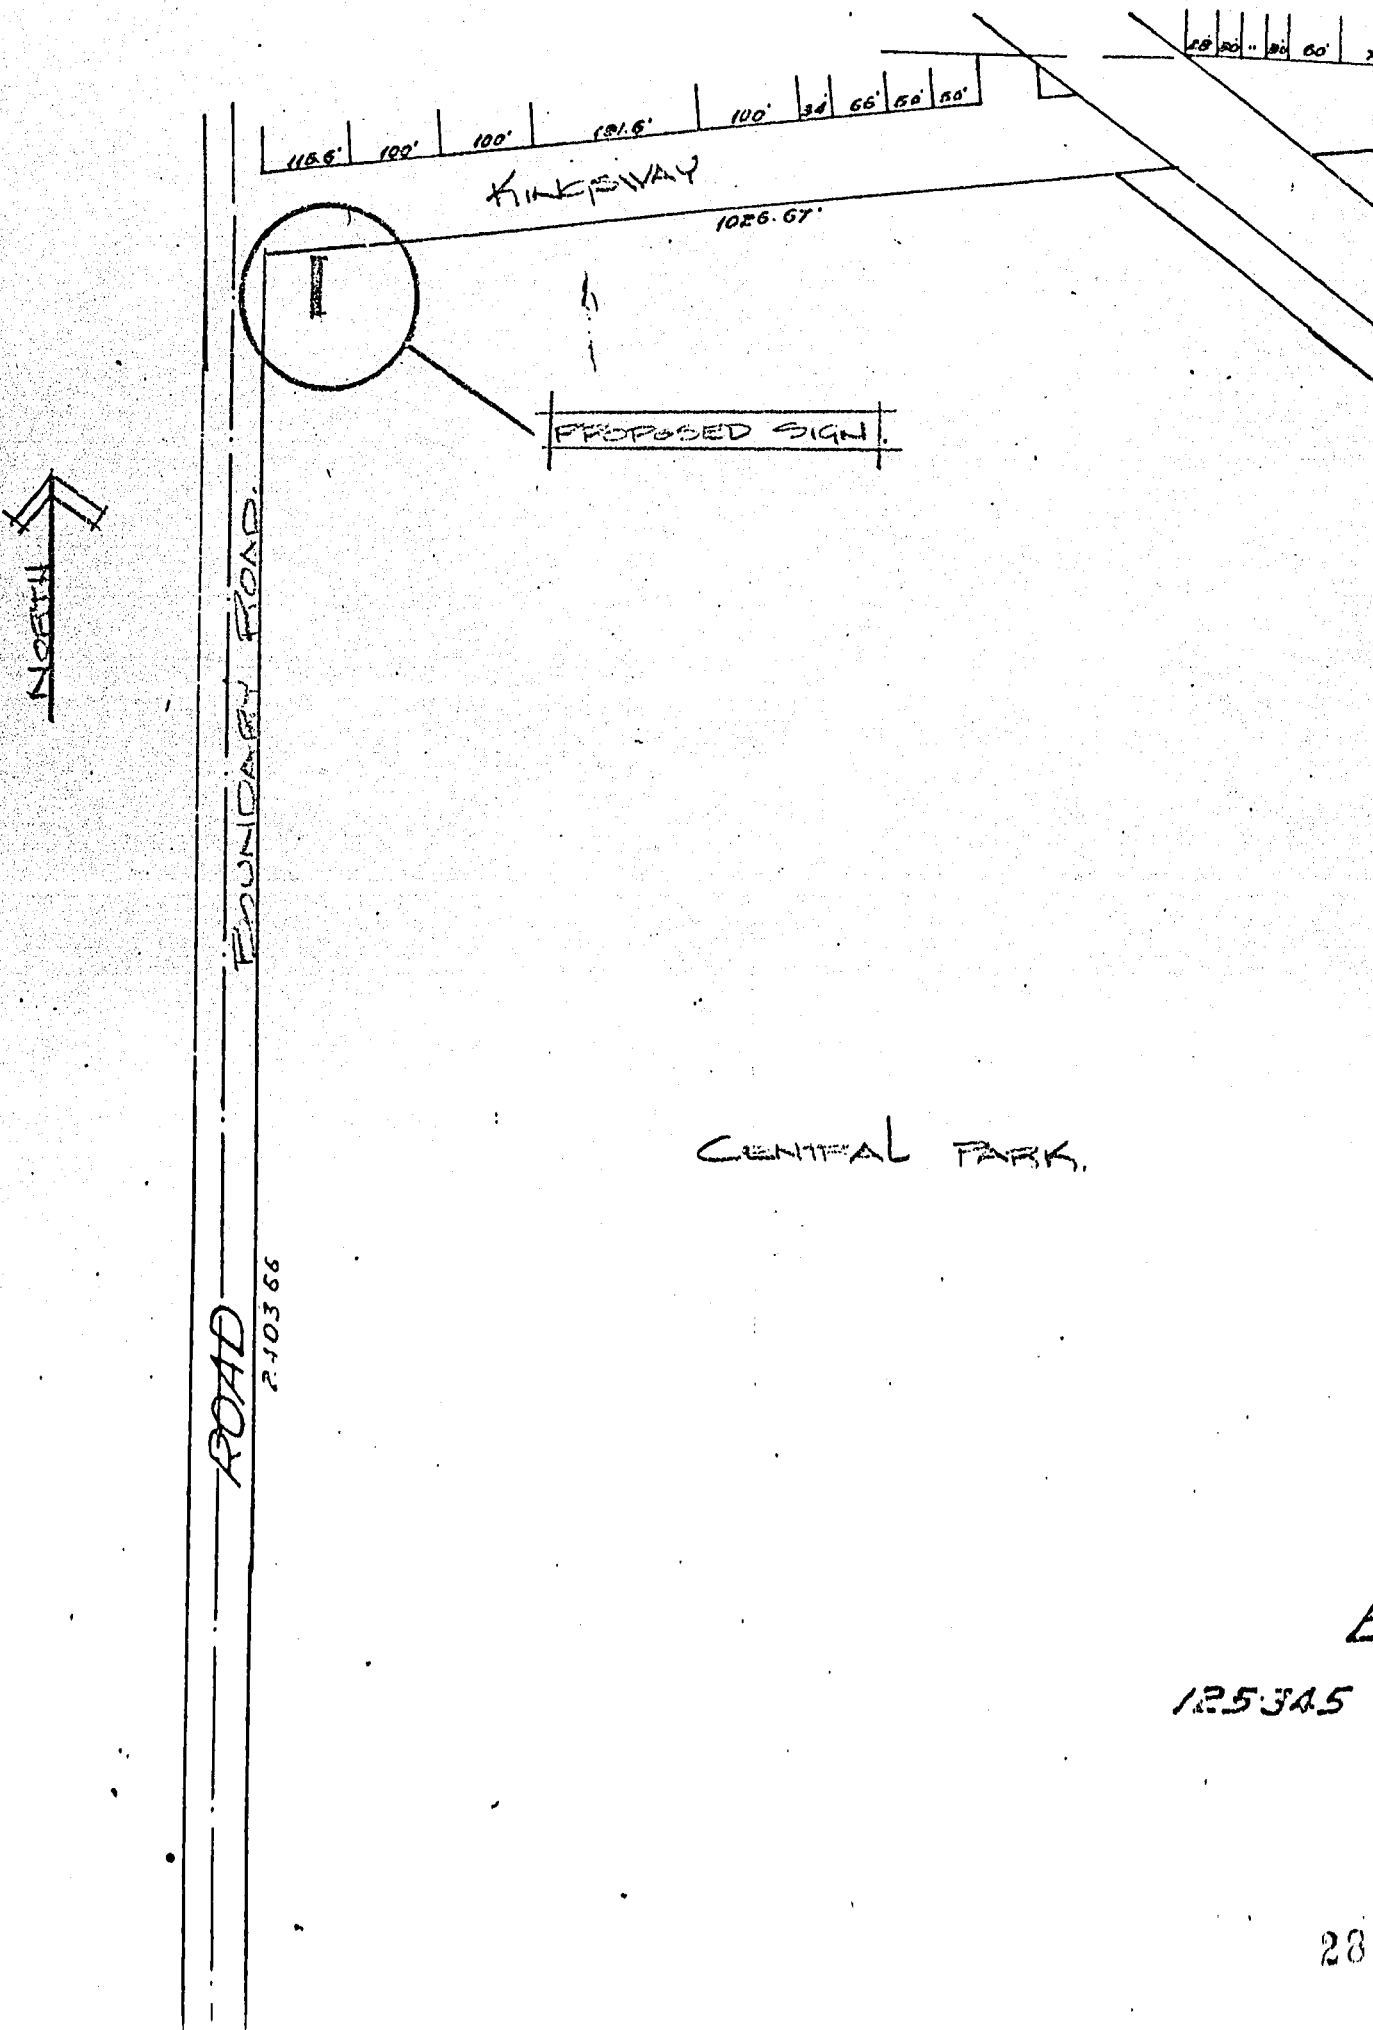

A. L. Parr,
DIRECTOR OF PLANNING
