The Office of the Engineer

Mr. M.J. Shelley  
MUNICIPAL MANAGER

Dear Sir:

Re: Smithrite Container in Lane at Rear  
of 4154 Pandora Street

Miss Gwen Harrison, 4154 Pandora Street, has brought to our attention that Smithrite Disposal Ltd. had one of their refuse containers situated within the lane allowance at the rear of the above address. This Department had no prior knowledge of this problem until receipt of the letter from Miss Harrison.

Investigation has disclosed that the container is indeed encroaching on to the lane allowance and is situated in that location to serve the apartment known as 4191 Albert Street.

We have been in touch with Smithrite Disposal Ltd. and they have assured us that the container will be removed from its encroachment position immediately. We have followed up our telephone conversation with a letter of confirmation and we will see to it that there is no further encroachment by the subject refuse container.

Respectfully submitted,

*E.E. Olson*
